

Paper's Editorial
May Hurt Romney

Governor Sharply Criticized
For Recent Stand on Vietnam

WASHINGTON (AP) — A home state newspaper's suggestion that Michigan Gov. George Romney get out of the way appeared to project New York Gov. Nelson A. Rockefeller into the middle of the contest for the 1968 Republican presidential nomination.

In an unprecedented home base blast at a presidential hopeful, The Detroit News said in an editorial to be published Sunday that Romney's "blurt and retreat habit" of dealing with Vietnam and other foreign problems disqualified him from seeking the presidency. The News said Rockefeller, who has disclaimed any further presidential ambitions, "knows what he believes and has the capacity to express his convictions" and should be brought into the picture.

Romney 'Amused'

Romney, who had no advance warning of this blast from a newspaper which has been one of his staunchest backers in three successful campaigns for governor, called the editorial "very amusing."

But his aides were not at all amused by this erosion of Michigan support for his as-yet unannounced bid for the 1968 GOP nomination.

They said privately, and some members of the Republican National Committee commented publicly, that this was a body blow that Romney's aspirations might not survive.

Rockefeller publicly discounted the impact of the editorial. He said in a statement: "I have supported Gov. Romney in the past and I will continue to support Gov. Romney in the future. I repeat, under no circumstances will I be a candidate."

Almost no member of the Republican National Committee, winding up a two-day campaign planning session here today, felt Rockefeller would not make himself available if circumstances seemed to dictate this would be the most available way to get a moderate Republican nominee.

Rockefeller-Reagan

Edward G. Janeway, Vermont national committeeman, told a reporter: "All of the East is talking about Rockefeller as the candidate." He said there is a great deal of discussion of a ticket made up of Rockefeller and Gov. Ronald Reagan of California.

The Detroit News editorial was being classed with the Scripps-Howard editorial in

Mine Explosion
Kills 7, Hurts 50

EAST WEMYSS, Scotland (AP) — An explosion in the Michael colliery on the shores of the Firth of Forth killed seven or eight miners today, injured 50, and trapped another nine.

The National Coal Board in Edinburgh said an additional three miners are missing.

Fire followed the explosion. Scottish police cordoned off the area and fleets of ambulances and fire engines began rescue operation.

Coal board officials joined with miners in directing the rescue work.

The colliery is one of the top pits in Britain, producing 3,500 tons of coal daily.

Leaky Valve
Fails Attempt
To Land Craft

PASADENA, Calif. (AP) — A leaky helium gas valve has prevented America's Surveyor 5 from making a soft landing on the moon, say scientists at the Jet Propulsion Laboratory.

A spokesman said early today scientists are considering either having the 2,200-pound craft make a hard landing or putting it into a high orbit around the earth.

Flight engineers predicted that the helium would stop leaking about noon today. At that time, they said, the pressure in the fuel tank should be sufficient to stop the leak.

The spokesman said if the leak stops then, a decision for a hard landing would probably be made. If the helium continues to escape, the craft would probably be put into earth orbit and perform engineering tests and take color television pictures of earth, he said.

The JPL spokesman said the decision may not be made until this afternoon if Surveyor's condition is not immediately clear.

Preliminary Winners Named

Miss America Chosen Tonight

ATLANTIC CITY, N.J. (AP) — A green-eyed blonde, pre-medical student at the University of California who lost her sight in an accident, won the swim suit division with her 36-22-36 figure. She stands 5 foot 7 and weighs 113 pounds.

Along with the fame and glamour, the title is worth an estimated \$100,000 in personal fees and scholarships during her year-long reign.

The crowning climaxes three days of preliminary competition which ended Friday night with a pre-med student from Idaho and a baton twirler from Florida sharing the honors.

Miss Idaho, Kristine Phillips, said she became interested in the

spectators in Convention Hall gave the 22-year-old brunette a rousing ovation.

Dawn is a junior at the University of West Florida.

Earlier talent rounds were won by Mary Lynn Haglund, Miss Indiana, and Marilyn Cozzza, Miss Rhode Island. Swim suit winners were Sharon Ann Evans, Miss Arkansas, and Debra Barnes, Miss Kansas.

Based on points scored during the preliminaries, 10 girls will be selected for the semifinals. Then, the final process of elimination begins until a new Miss America is named to succeed Jane Anne Jayroe of Oklahoma.

Haiti and
Dominican
Lie in Path

MIAMI, Fla. (AP) — With 13 persons dead in her wake, Hurricane Beulah thundered across the Caribbean Sea today toward Haiti and the Dominican Republic.

The 13 victims were counted on the island of Martinique. Homes were destroyed, flood waters poured three feet deep down streets in Port de France.

Strong winds beat at the south coast of Puerto Rico as Beulah pounded on toward the west-northwest, with winds of 100 miles an hour roaring around her center and gales reaching out 125 miles in all directions.

Residents of Haiti and the Dominican Republic, which occupy the island of Hispaniola, were placed on a hurricane watch. Along the vulnerable south coast of this island many hurricanes of the past have piled up heavy death tolls.

Beulah was centered at latitude 15.7 north, longitude 65.3 west, 170 miles south-southeast of San Juan, Puerto Rico, and about 1,150 miles from Miami.

Gusty winds were forecast over all Puerto Rico and in the Virgin Islands.

Far behind Beulah in the turbulent tropical Atlantic, tropical storm Chloe churned the waters with 50-mile an hour winds, but offered no immediate threat to any land area.

And off the Florida east coast, a tropical depression kicked up rough seas that kept small craft in port in Florida and the northern Bahamas.

Five children were among the victims as Beulah lashed Martinique with torrential rain. Officials said over 100 families were left homeless by the deluge.

At the time, she appeared to be heading on a path that would have brought her dangerously close to Puerto Rico and the Virgin Islands. But a later Weather Bureau advisory pointed her at Hispaniola.

Puerto Rico braced for gale winds, however. The hurricane was predicted to pass about 100 miles south of the city of Ponce, which would subject the south coast to a gusty blow and rough seas.

Strike Hurling

7,000 of Ford's
Suppliers Predict
Company Layoffs

DETROIT (AP) — The United Auto Workers union strike against Ford Motor Co. already is affecting the national economy with layoffs in allied industries.

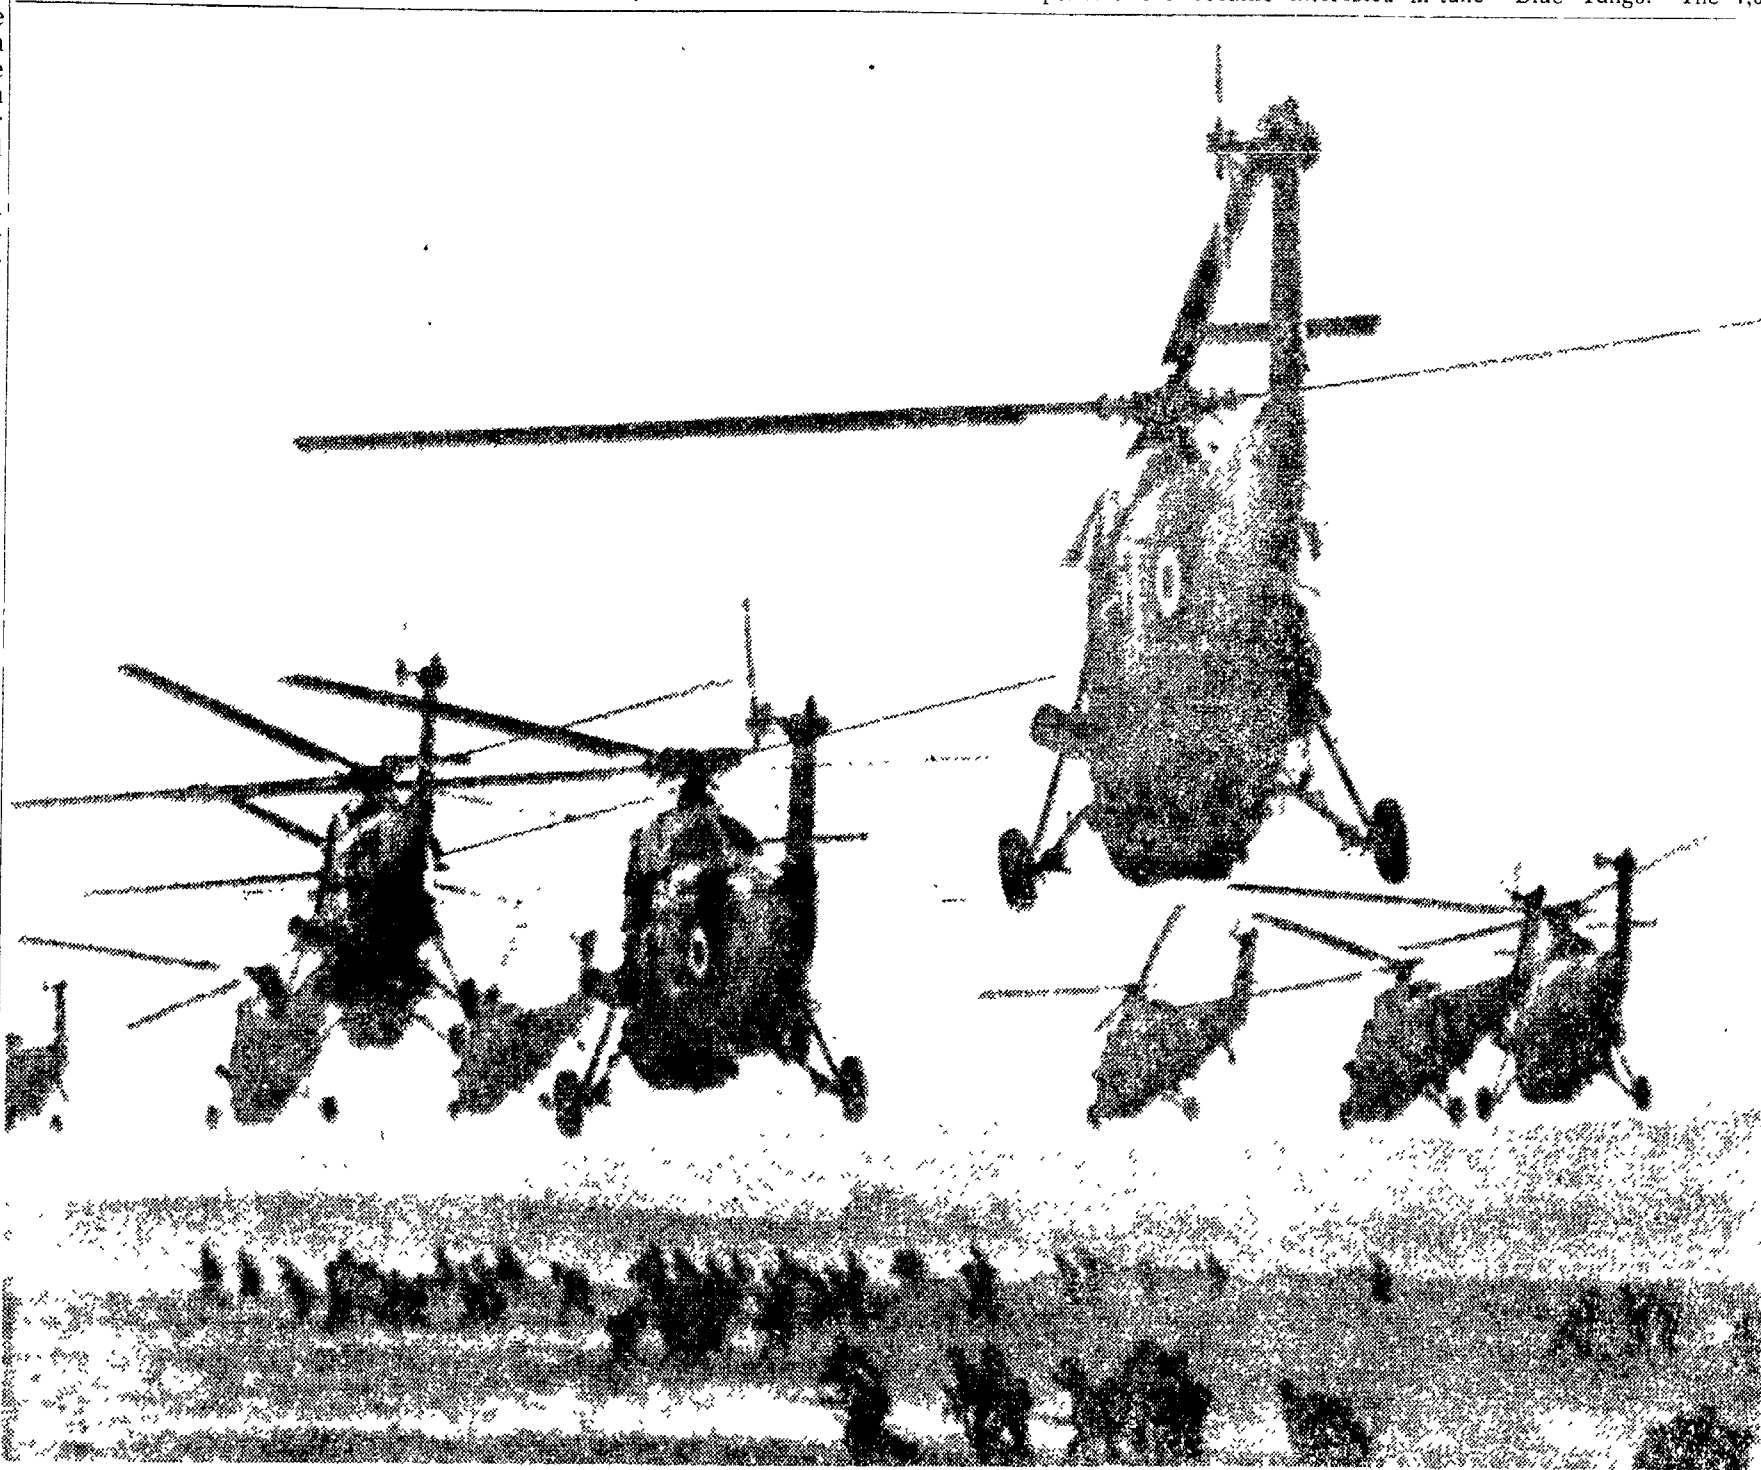

Some of Ford's other 7,000 suppliers said they had not been affected by the strike, but would be if it dragged on.

The 160,000 Ford employees at plants in 25 states walked off the job at midnight Wednesday when their works contract expired. No negotiations on a new contract have been scheduled but union and company representatives will meet Monday to set up a timetable for resumed bargaining.

The Budd Co., one of Ford's major suppliers laid off some 1,000 of its 5,000 workers Friday at a Philadelphia plant where Budd makes stampings, tools and dies for Ford.

The Dana Corp. laid off 800 workers at its frame plants in the Detroit suburbs of Ecorse and Trenton.

The jobs of another 1,000 workers were imperiled at two Raybestos-Manhattan plants in Passaic, N.J., where Ford transmission parts are built.

Fighters Blast Rail Yards

B52s Rain Bombs on Red Artillery

SAIGON (AP) — U.S. B52 bombers aimed tons of explosives today at North Vietnamese guns threatening the South, after fighter-bombers dodged heavy defenses and flew within 20 miles of Red China to blast a jammed rail yard.

Three waves of the eight-engine B52s struck artillery and rocket launchers in the demilitarized zone to prevent them from harassing U.S. Marines in northern South Vietnam, already busy chasing reinforced Red troops. The B52s also made one of their infrequent raids north of the zone Friday night to attack the Communist gun positions. The big planes generally stay away from North Vietnam to avoid Red surface-to-air missiles.

Marines Hit

Despite the B52 raids, Communist rockets hit the sand-bagged Marine outposts at Con Thien just below the DMZ and wounded 40 Marines.

Some sharp ground fighting continued in northern South Vietnam, where allied forces are trying to keep the enemy off balance and foil whatever strategy the Reds have for their built-up forces in the area.

South Vietnamese troops sweeping in Quang Ngai Province, the southern boundary of the threatened five-province northern zone, reported five months of running fights with a fast-moving guerrilla force. They said the Communists left 40 dead. They also reported capturing

'Now' Chapel Proclaims Message in Cardboard

NEW YORK (AP) — Card upside down and spinning in cardboard boxes piled high. Hundreds of them row on row, circling zigzagging dead ends. Walking through the church is like walking through a maze. Painted and plastered compressed times Square with with sense and non-sense. Is it a warehouse? A trap?

No it's a kind of house of prayer," says the pretty nun in charge, Sister Lenore Navarro. It's also a maze, a web of aisles blazoned with the sights, anxieties and hopes of the times.

The strange meditation room was set up here at an international Congress on Religion Architecture and the Visual Arts giving a hint of the changing attitudes on what makes an appropriate devotional atmosphere today a new church.

It's an odd place very provocative but interpreted with faith.

You get a life-like sense of discordance as you wander through those cardboard corridors, also of a throbbing vitality.

Red Letters Blare

'Come alive' blares a splash of red letters arching across a barricade of boxes. Get with the action. Gu's. And then the scenery dissolves into a crowd of faces, troubles, questions, enticements, hopes.

"I should like to speak of God not on the border of life but at its center," reads a quotation from the mariverted German theologian Dietrich Bonhoeffer. All around are the images of human tumult, effort and timeless distractions.

Official Favors Catholics Joining WCC Commission

STUTTGART, Germany — Roman Catholic membership in the Faith and Order Commission of the World Council of Churches would help to revitalize the work of the group, the newly-elected commission chairman said here.

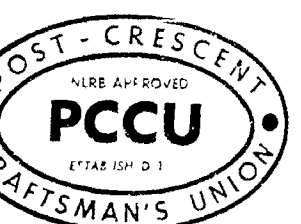

The expression favoring Catholic membership in the WCC came from Dr. Hans Heinrich Haas, chairman of the German Evangelical Missionary Council.

Dr. Haas, who has been elected bishop of the Evangelical Lutheran Church in Oldenburg to succeed retiring Bishop Gerhard Jacoby Oct. 1 was elected Faith and Order chairman at its recent meeting at Bristol, England.

He replaces Prof. Paul S. Minear of Yale University, New Haven, Conn.

The German churchman said that a proposal to add Catholics to the WCC commission could be implemented easily since it is free to accept members from non-WCC bodies.

At the Bristol sessions it was urged that the commission accept Catholics and also representatives of conservative Protestant churches outside the World Council. A current proposal to revise the commission constitution to enlarge the membership from 120 to 150 would make this possible.

Anniversary Rites at Combined Locks Kimberly Congregation to Mark 30 Years of Lutheranism Sunday

KIMBERLY — Mount Calvary Lutheran Church will observe its 13th anniversary with special services Sunday morning and a dinner party at 5 p.m. Sunday at the Combined Locks pavilion.

On June 8, 1937, a young graduate of the Wisconsin Synod Seminary at Thiensville received a call to be pastor of a Lutheran mission in Kimberly. There was neither building nor congregation, but this did not deter the Rev. W. F. Wichmann.

A week after receiving the call he was on the scene canassing the area on foot. About a month later, the first service was held in borrowed quarters of the Kimberly Village Hall with 100 in attendance. On Sept. 8 about 19 families organized the first congregation.

On Nov. 20 four lots at First and Pine Streets were purchased for \$550 and within six months there were 132 members, 74 communicants and 46 in Sunday school. The pastor through knocking on doors turned up unchurched people and once active Lutherans.

Wife Taught

Pastor Wichmann accepted a call to North Fond du Lac in 1944 and was succeeded by the Rev. Clayton Krug, Ripon, who served less than a year before resigning due to rheumatic fever. He was followed by the Rev. Delmar Brick, Jefferson, who served from Aug. 1945 to Christmas 1953.

He and his wife taught full-time at the school, church debts were reduced and improvements made. He left to become dean of Mount Calvary became a men at Dr. Martin Luther College. A rented parsonage, former Pastor on Habermann proved a problem one of the pastors having to commute from Have All We Received, and Appleton for more than nine months. With the arrival of the Rev. Elwood Habermann, vices Sunday school will meet at 8:45 a.m. \$14,000 was borrowed from the synod to build a parsonage. The congregation added a garage and connecting breezeway with its own funds. Repairs

Less Active

He also contacted members of Lutheran churches in Kaukauna and Appleton who were becoming less active because of the considerable distances to church. With reminders about church attendance, prodding about financial support and refreshing on Biblical teachings, the pastor looked for formation of a Christian Day School where more thorough instruction could be given the young.

A building fund was established and improvements made to four lots. A building committee was organized and in 1940 an architect was hired. Of the original church school design it was voted to build only the church unit because of cost.

Pastor Wichmann got permission from the state to hold classes in the church basement. Alternate plans were drawn and the pastor got his school by a 11-1 vote at a total cost of \$17,600. School opened Sept. 9, 1941 with 38 pupils. Dorothea Toepel and

Nigerian to Speak During Church Rites

A Nigerian the Rev. Daniel Nimer will give the sermons at Sunday's 8 and 10:45 a.m. services at First English Lutheran Church.

In addition the Rev. Nimer will speak at the 9:15 a.m. Adult Sunday Forum. Liturgical services will be conducted by the Rev. Leonard Ziener, pastor and student pastor M. Eugene Leiter.

Pastor Nimer, a member of the Lutheran Church in Nigeria, recently completed graduate studies at Luther Seminary in St. Paul and is on his way to Princeton, N.J., where he will do additional graduate studies at Princeton Seminary.

The Nigerian cleric who plans to wear his native clerical vestments will have The Last Servant as his sermon topic. While he stays in Appleton Pastor Nimer will be a house guest of the Gordon Bulbul family. He will make brief appearances at First English Lutheran's Sunday school departments.

Social Security Hike Threatens Economy

Increase Considered That Would Raise Minimum of \$44 Yearly

By EDMOND LEBRETON
WASHINGTON (AP)—Chances are most workers know their Social Security tax is withheld. The tax makes a noticeable dent in the paycheck—and the family budget.

But what about the matching tax paid by employers—and its effects? Is it passed on to the consumers in the cost of goods? Does it affect management decisions about hiring, or buying machinery that could substitute for men? Is it approaching a limit beyond which it cannot be raised without damaging the economy?

The information in the report was compiled last year, after the inauguration of medicare had caused an increase in the payroll tax. The subject is again

contributions of general funds to take care of special cases. The existing system and the extensions now proposed are said officially to be actuarially in balance with the present and proposed taxes.

Still, there have been some who contended all along that, sooner or later, financing of Social Security would have to include funds from the general treasury, a proposal strongly resisted by Congress' tax-writing committees. The next round of Social Security increases—which can be expected in a few years if living costs continue upward—likely will find this argument pressed more strongly.

New President Appointed for Stevens Point

MADISON (AP) — A 41-year-old speech professor, Lee S. Dreyfus of the University of Wisconsin, was named Friday new president of Stevens Point State University effective Oct. 1. He succeeds the late Dr. James H. Albertson, 41, who was one of three Wisconsin educators killed in a plane crash in Vietnam March 23.

Dreyfus' appointment was announced by a regents' selection committee. The recommendation goes to the Board of Regents for the nine state universities at its Sept. 29 meeting.

Still to be filled are vacancies at River Falls and Whitewater state universities.

Mother Worried Over Child's X-Ray Exposure

By JOSEPH MOLNER, M.D.
Dear Dr. Molner: Just how dangerous are X-rays? Our five-month-old daughter has an orthopedic problem. She had two X-rays early last month and two more the middle of the month,

Dr. Molner

and now is due for more. Isn't this too much? — Mr. and Mrs. H.

No. That's a total of perhaps a shade over half a second of actual X-ray exposure. I agree that any unnecessary X-ray is too much — because it is cumulative, and you never know how much more a person may need later in life.

But diagnostic X-rays are very brief and add up to only small exposure. When such X-rays are needed to find out about a condition, the best answer is to have whatever are needed and not worry about it.

Dear Dr. Molner: Does wearing skin-tight pants cause var-

Today in History

By THE ASSOCIATED PRESS

Today is Saturday, Sept. 9, the 252nd day of 1967. There are 113 days left in the year.

Today's highlight in history: On this date in 1850, California was admitted to the union as the 31st state.

On this date:

In 1776, the second Continental Congress made the term "United States" official.

In 1836, Abraham Lincoln was licensed to practice law.

In 1893, President Grover Cleveland's wife gave birth to a daughter. It was the first time a child had been born to a First Lady in the White House.

In 1894, Sun Yat-sen led his first attempt at revolution in China.

In 1945, at the end of the Pacific war, the formal surrender of some one million Japanese in China took place in Nanking.

Ten years ago — Nashville, Tenn., began school integration with the admission of 13 Negro first-graders who passed hostile crowds to enter all-white schools.

Five years ago — Communist China claimed to have shot down an American-built U2 reconnaissance plane flown by a Nationalist Chinese pilot.

One year ago — President Lyndon B. Johnson signed a bill setting safety standards for 1968 model cars.

Don't Lose Finesse to Doubleton

By ALFRED SHEINWOLD

Your chances of crossing the street safely are better if you wait until the traffic has gone by. The same obvious principle applies to some bridge hands.

South refused the first trick, won the next diamond, drew trumps with the ace and ten and led a heart from dummy, losing the king to West's ace.

West returned the seven of hearts, and South correctly calculated that the odds favored

West to hold the jack. Declarer therefore took a finesse with dummy's ten of hearts, and there went his contract.

"If you went up with the queen, the jack of hearts would drop," North helpfully pointed out. South snorted disdainfully, but his partner was quite right.

Unusual Heart Play
After winning the second diamond South should draw trumps and lead the low heart from his own hand. West must play low, and dummy's queen wins. Now South returns a heart from dummy, losing the king to West's ace. Since the jack of hearts happens to drop on this trick South has no further problem.

If East held only two small hearts, the jack would not drop but West would be unable to make a safe return. If West then leads a diamond, dummy ruffs and South discards a club. If West leads clubs, South easily wins two club tricks. If West leads another heart from J-x-x (which he would hold if East had started with only x-x of hearts), dummy's ten of hearts must win a trick.

South might still go wrong if East started with three hearts to the jack, but he would not lose a trick to the doubleton jack.

Your Problems

'Perfect Gentleman' Willing To Risk His Girl Friend's Life

By ANN LANDERS

DEAR ANN LANDERS: You must be cracking up. Your answer to the girl whose boy friend left her flat when she told him she was pregnant was the last straw. What makes you think all boys are heels and will run out on a girl when she is in trouble?

Three months ago the same thing happened to me. I thought I was pregnant and told my boy friend. He was just wonderful. He said, "Don't you worry about a thing, honey. I will give you \$100 and arrange for a first-class abortion."

It turned out that I was not pregnant. But I wanted you to know that my boy friend came through like a perfect gentleman. I dare you to print this. — Gemini

Dear Gem: How lucky can you get — a great boy friend who was willing to give you \$100 and let you risk your life in the hands of some butcher — and then you weren't even pregnant! Why don't you get smart before your luck changes?

DEAR ANN LANDERS: Our daughter, now 21, attended a morning wedding recently. Sherri left the house at 10 a.m. She

said she might be home "a little late."

As the hours went by — midnight, 2 a.m., 3 a.m., 4 a.m. — my husband and I became worried. By eight o'clock the following morning we were frantic. We telephoned one of Sher-

Landers

ri's girl friends to learn when our daughter was last seen. The girl said Sherri and her boy friend, Carl, and two other couples had left the wedding celebration before midnight. They said they were going into town to dance.

My husband called the others only to learn that they had dropped off Sherri and Carl at 2 a.m., where he had parked his car. We then phoned Carl's parents and learned that they hadn't been home all night.

At 9 a.m. Sherri telephoned to say she and Carl were at his

parents' house having breakfast. She was furious with us for calling all over town to locate her. She says a girl who is going on 22 years of age should not need to account for her whereabouts and that we humiliated her.

I would like to add, the girl is living at home and we are supporting her. What are your views? — Toronto

Dear Toronto: My views are that you have a very inconsiderate, self-centered daughter who ought to be told in no uncertain terms that, regardless of her age, as long as she lives with you, she has an obligation to let you know where she is.

Of course, it's awkward for a young lady to telephone her parents and say "I am spending the night with my boy friend," which was her real hang-up. But that's another letter, my friends.

Who calls the signals on how far petting should go — the boy or the girl? What are the ground rules for a safe session of romance? De Gaulle Plans Visit to Auschwitz

KRAKOW, Poland (AP) — French President Charles de Gaulle turned his thoughts today to four million World War II dead who perished in the gas chambers of Auschwitz.

De Gaulle's schedule called for a visit to Auschwitz-Birkenau, which was kept busy during the war carrying out Adolf Hitler's quest for the "final solution" to the Jewish question.

A simple wreath-laying ceremony with no speeches was on the agenda at Auschwitz on the fourth day of de Gaulle's six-day state visit.

Student at Superior Killed in Car Crash

DULUTH, Minn. (AP) — Patrick J. Herrington, 20, of Haverstown, Pa., a student at Wisconsin State University at Superior, was injured fatally Friday in a two-car crash on U.S. 53 in Duluth.

Three other Superior State students were hospitalized.

Biased Against Women?

Dispute Follows End Of Abortion Meetings

WASHINGTON (AP) — A three-day international abortion conference ended amid charges it discriminated against women and favored a conservative-Catholic viewpoint.

The 1,000 delegates came up with no specific answers. But a major theme stressed that legislators couple any abortion law reform efforts with an attack on poverty.

There were shocked expressions from experts in law, medicine and ethics that an affluent America might consider what Thomas O'Toole of Northeastern University Law School called the "incredible approach—to get rid of people rather than poverty."

While Arthur J. Goldberg, U.S. ambassador to the United Nations, was making the wind-up speech Friday declaring the sponsors—The Harvard Divinity School and the Joseph P. Kennedy Jr. Foundation—had "performed a valuable public service" in airing the abortion issue, a woman's group attacked the conference.

Miss Ti-Grace Atkinson, representing the National Organization for Women which she says has 3,000 members, told reporters the conference was "an outrage against women," and had "shown the greatest contempt" by, she said, constantly ignoring them in the conference.

She said conference panels were heavily weighted with Roman Catholics and conservatives, groups strongly opposed to abortion.

"It's the thinnest smokescreen for the opponents of abortion," she said, "and it was planned by the Catholic Church or the Kennedy Foundation in its religious capacity."

The Kennedys are Catholic and Mrs. Sargent Shriver, sister of the late President John F. Kennedy, a hard worker in the field of mental retardation, is executive vice president of the Kennedy Foundation, and was a prime conference promoter.

Mrs. Shriver said Friday that establishing boards to pass on abortion requests could lead to a planned society in which scientists decide who should be born and who should have children.

cosine veins? My mother said I will get them because tight pants constrict the blood vessels. I am 13 and never had any leg injury. — T. R.

Varicose veins occur primarily because of a weakness in the veins. Unless such weakness exists, you aren't very likely to have varicose veins, no matter what.

But if you do have the weakness, then injuries, as well as anything that constricts circulation in the veins, helps bring on the trouble, whether it is pregnancy; tight, round garters, overweight; tight girdles that restrict circulation.

The mere tightness in itself does not restrict circulation. In fact, surgical stockings, being tightly fitted, support the tissues surrounding the veins to some extent, and help retard varicose veins.

The danger in tight pants or other garments is that they may, at one particular point or another, press hard against the veins. Blood circulates up to that point, then is partly shut off there. Result: extra pressure in the veins below that point. And if the veins have a tendency to weakness, the veins and valves begin to break down. That's varicose veins.

For practical purposes, tight pants probably do the most harm not when you are standing up but when you are sitting down and pressure at the thighs presses on the veins.

At 13 it's pretty early to guess whether you will have varicose vein trouble. If your mother and other relatives have this problem, though, it's never too early to start being careful. If that's the case, maybe you'd better pay some attention to mother's words.

Bili Monbouquette
Hurls Yankees to
Win Over Boston

By RON RAPOPORT
Associated Press Sports Writer
Bill Monbouquette doesn't hold a grudge against the Boston Red Sox. He just pitches that way.

Monbouquette, traded away by the Red Sox last season and ignored by them when he was released by Detroit this season, hurled the New York Yankees to a 5-2 victory over his former teammates Friday night, preventing them from taking over first place in the American League.

That spot went to both Detroit conqueror of Chicago by a 4-1 count, and Minnesota, which split a doubleheader with Baltimore, 7-2 and 3-5. The Red Sox are in third place, half a game out, and the White Sox are a full game off the pace.

Get Satisfaction
I think it only natural to get satisfaction in beating a team which lets you go," Monbouquette said after the game. "Don't get me wrong, though. I hope the Red Sox win the pennant. I have a lot of friends on the club."

The 31-year-old right-hander has pitched brilliantly for the Yankees, the only team that would take a chance on him when the Tigers cut him loose earlier in the season.

Against the Red Sox, he allowed eight hits and struck out four before leaving the game in the seventh. Just to rub it in, he singled twice and scored a run.

In other American League action Friday, Cleveland topped Kansas City 6-3 and California blanked Washington 4-0.

First Place Tie
The Tigers climbed into the first-place tie on the strength of homers by Eddie Mathews and Jim Northrup and fine pitching by Mickey Lolich, who got relief help from Fred Lasher.

Mathews' shot was his fifth since joining the Tigers, his 15th of the season and the 508th of his career. Up ahead looms Mel Ott with 511 lifetime homers, sixth on the all-time list.

In Baltimore, the Twins made threatening noises in the late innings of the nightcap, but Pete Richert proved equal to the task and pitched his way out of jams.

He put out Cesar Tovar and Harmon Killebrew with two runners on in the seventh and

Rhineland Scores With 26 Seconds Left

Hodags Tie Xavier

BY RON WITT
Post-Crescent Staff Writer
Quarterback Danny Baron completed five of nine passes and then capped a brilliant 91-second drive with a 15-yard march by dancing the final 15 yards for a touchdown with just 26 seconds remaining to enable the Rhinelander Hodags to forge a 19-19 tie with Appleton Xavier at Goodland Field Friday night.

Baron, a poised 6-0, 158-pound junior, took the controls with 3:15 showing on the clock and the ball on the Rhinelander 9-yard stripe after a Hawk drive bogged down. With a smart mixture of running and passing, Baron guided the Hodags in to score in 12 plays. John Cooper's kick from placement split the uprights after the point-after tries on Rhinelander's first two attempts had gone awry.

The deadlock was the end of a frustrating evening for Xavier, which had held 7-0, 7-6, 13-12 and 19-12 leads previously and blew four opportunities to score what would have been a winning touchdown. Three drives were halted inside the Hodag 15-yard line and another threat ended on the 24 when a pass into the end zone was juggled and dropped.

314 Yards Rushing
The Hawks ground out a crunching total of 314 yards rushing and 43 more in the passing department for a 357-yard total. Rhinelander picked up 107 yards on the ground and 97 through the air for 204 total yards. The Hawks also lost three fumbles, while the visitors made four bobbles but kept possession on three. The other set up Xavier's second touchdown. Xavier did not punt all night while Rhinelander booted five times.

Halfback Brad "Bubsie" Graff, who averaged nearly nine yards a carry in the game, got the Hawks winging in the first quarter when he rambled 39 yards in two plays. Graff had reeled off a 17-yard gain from the Hodag 39-yard stripe on the first play and then took a handoff from fullback Jerry Rankin on a reverse to romp the last 22 yards. He also kicked the extra point and it was 7-0 with 2:26 left in the opening quarter.

A Rhinelander punt after the next series gave Xavier the ball on its own 36, but on the first play of the second period, the Hodags' Jerry Bronson grabbed off a Greg Steinhorst pass and fell on the Xavier 42-yard marker. The break gave the Wisconsin Valley Conference representative a big mental lift. Mark Servent rammed for nine yards and then 208-pound fullback Dave Hoha slanted off right tackle, shook off two or three tacklers, and ran the last 33 yards. Hoha fumbled on a pitch back on the try for the extra point.

17-Yard Gain
Jerry Rankin, the workhorse for the Hawks with 109 yards in 22 carries, had a first down, but fumbled after a 17-yard gain and Rhinelander's Roger Puzza fell on it. On the first play, Baron fired a 33-yard strike to Mitch Olson to put Rhinelander ahead, 14-7. A pass failed on the Friday and were in ninth place in the 72-hole National Lefty-Right golf tournament.

John Tiddy and Terry Jones, both of Charlotte, N.C., held the lead with 134

AHS-East Pulls Stunning Upset Over Manitowoc, 7-0

Cliff Tierney Scores Only TD
Of Game; Defense Outstanding
Against Defending FRVC Champs

MANITOWOC — Appleton's Patriots initiated their athletic history with a stunning 7-0 upset over Fox River Valley Conference defending champion Manitowoc at Manitowoc last night.

Coach Claude Radtke's charges threw up one of the stiffest defenses of this or any other high school football game, never allowing Manitowoc past the Appleton 40-yard line and only once did the Ships cross mid-field.

The Patriots forced six Manty fumbles, five of them in the second half and recovered four of those five, turning one of them into the game's only touchdown with just better than nine minutes left to play.

Fumble Recovery
A Manitowoc fumble recovery by East's Tim Horn set the stage at the Ships 28 on the second play of the final period. Three plays and a 5-yard walk-off, however, put the Patriots back at the 32. On fourth down Bob Berkholz punted in to the end zone. Taking over at their 20, Manty promptly gave the ball right back to East.

An errant pitchout from quar-

terback Rick Bjorklund escaped tailback George Wood and a charging Dave Brown recovered for East at the Manty five. Horn Conference defending champion Manitowoc at Manitowoc last night.

The seventh point proved to be just as tough to get as were the first six. Scott Ferguson twice booted the ball through each nullified by a penalty, and on his third try kicked it home from 15 yards out (a 25-yard kick).

Option Pass
Appleton took the opening kickoff, Tierney returning to the Ships' 49. Three plays later the Ships picked off an option pass and had the ball on their own 24. Manty used the quarterback option to net a first down at mid-field, but then had to punt.

The two squads then settled down into a rough, tough defensive battle, neither team mounting a solid threat until Appleton began a drive in the final three minutes of the first half. Staying on the ground, quarterback Dick Miller drove the Pats to the Shipbuilder 34.

A quick pass to Blaine Reichelt put the ball on the Manty 25 and a final play pass in the end zone was overthrown.

Twice in the third quarter East drove into Ship territory, running out of downs at the 26 with Bart that a little rest didn't and losing the ball on an interception at the 38. Manty, meantime had the ball for just six plays and two punts in the third period.

Front Wall
Appleton's front wall — Craig Rusch, Dave Brown, Steve Utschig, Steve Shepard, Don Knaack, Bill Stroess, and Bob Reinke — completely bottled the Manty ground game. After Appleton's touchdown, the Ships returned Rusch's kickoff to the 38, collected one first down at the 49 and moved no further.

Gary John's punt was downed by East on its own 19 with six minutes to go. East picked up a win over the Packers last season, first down and used up three-on-the-Packers haven't been minutes. Birholz's fourth down punt from the 40 was fumbled by the Ships' George Wood and straight to Green Bay since 1959, again East wound up with the ball on the East 36. Miller ran a 1-12-1 season in 1966 out the clock and an Appleton contingent of about 1,000 fans went wild.

That set the stage for Rhinelander's march. Baron hit end Tom Reimer on the first play for 26 yards and a first down on the 35. Two more passes fell incomplete but Hoha saved the day with a 10-yard run.

After another incomplection, Baron found Bob Tillman and Tony Skubal open for gains of 14 and six yards, respectively.

Skubal caught another for seven and Reimer still another for 11 yards to put the ball on the Xavier 17 with 1:09 to go. Hoha got two yards up the middle and then Baron started to his left, found a hole in the middle, and cut "across the grain" to tumble into paydirt.

Xavier still had time for one play after Jerry Rankin brought an on-side kick back to the Hawk 45. However, Steinhorst's desperation pass toward end Jeff Bartosic was intercepted by Jerry Bronson and the game ended.

The 96-man field goes another six games Saturday before the cut to the high 48. Saturday night they trim to 16 for the Sunday finals which will be match play.

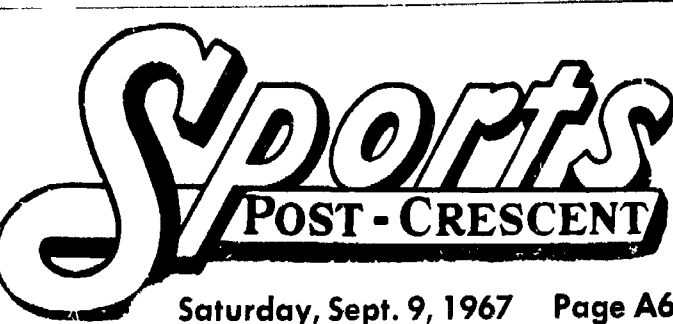

Sophomore Makes Impressive Debut

BERLIN — Menasha unveiled a new "I" offense, a scrambling quarterback and a brilliant sophomore runner but couldn't outduel the fleeting second hand of the clock and dropped a 20-19 decision to Berlin here Friday night.

In a nerve-shattering finish to an exciting game and on a play run off after time had elapsed, the Menashas almost pulled off the unbelievable as they came within nine yards of a fourth touchdown.

Berlin was penalized for pass interference on the final play of the game and since it couldn't end on a penalty, the Jays outs, time winged away before they could line up for another play.

Three times during the course of the evening, the Menashas pulled themselves up by their boot straps to tie or get within a

Starr Picked to Start for Packers In Tonight's Tilt

Lombardi Says Ace Quarterback Fully Recovered From Injuries

GREEN BAY (AP) — Coach Vince Lombardi officially named Bart Starr his starting quarterback as the Green Bay Packers poised to meet the New York Giants tonight in a final exhibition game before the start of the National Football League season.

The NFL's most valuable player, has not played, except sparingly, in three weeks because of rib injuries.

"There was nothing wrong with Bart that a little rest didn't cure," said Lombardi. "He's superbly for Starr as the Packers stretched their winning streak to 12 games—a skein extending back to last Nov. 6. The Packers have captured five straight exhibition games.

Regular Season
"I don't know if the lack of work has hurt me or not," said Starr. "but I appreciate having returned Rusch's kickoff to the 38, collected one first down at the 49 and moved no further.

Gary John's punt was downed by East on its own 19 with six minutes to go. East picked up a win over the Packers last season, first down and used up three-on-the-Packers haven't been minutes. Birholz's fourth down punt from the 40 was fumbled by the Ships' George Wood and straight to Green Bay since 1959, again East wound up with the ball on the East 36. Miller ran a 1-12-1 season in 1966 out the clock and an Appleton contingent of about 1,000 fans went wild.

Top Ground Gainer
Tarkenton has an able corps of receivers to throw to, including Homer Jones, Aaron Thomas, Joe Morrison and Del Shofner, but his offensive line is untested and the Giants' defense is not yet set.

Another new Giant is Bill Oshkosh's Dave Steinert took the ball on the seven and returned to the 33-yard line. The Indians proceeded to march to five straight first downs, with Nate Gorr capping the march with a 1-yard plunge, and Steve Koch booted the point after to give the Indians a 7-6 edge.

Fond du Lac capitalized on a pass interception by Don Eiring, with Brian Harney pushing the ball over from a yard out to put the Cards back on top, at 12-7, before the half.

Midway through the third quarter, Oshkosh's workhorse, Arvid Johnson, who piled up 121 yards in 23 carries, fumbled on his own 35 and Fondy's Joe Klinzing picked up the ball and ran it in for the final TD.

The loss marked the first time Oshkosh had lost in 20 home games stretching over five years.

Jim Bond, of Fond du Lac, had a 5.5 average, with 88 yards on 16 carries. Eiring added another 64 yards in seven trips.

Oshkosh led in first downs, 17 to 7, and outgained the Cards, 254 total yards to 212.

Rams Put Rookie On Waiver List
LOS ANGELES (AP) — The Los Angeles Rams announced Friday they have placed rookie running back Mike Dennis from Mississippi on waivers.

The move makes room for defensive tackle Roger Brown, acquired from Detroit in trade for three draft choices. It leaves the Rams with 43 men on the roster including five running backs.

The squad must be cut to 40 by next Monday.

Terry Sawchuk First to Sign With Los Angeles

GUELPH, Ontario (AP)—Veteran goaltender Terry Sawchuk became the first player to sign with the new Los Angeles Kings of the National Hockey League when he agreed to a two-year pact Friday.

The Kings, one of the NHL expansion clubs, had drafted the 38-year-old Sawchuk from Toronto. General Manager Larry Abramson said the signing was a "big coup" for the Los Angeles club and announced the signing Terms were not revealed.

Sawchuk reported to the Kings' training camp at Guelph after signing his contract, but after signing his contract he returned home to Union Lake, an effort to conclude play by Nov. 1, according to James Gertz, recreation director.

Holly Scores With 59 Seconds Left

Comets Upset Truckers, 19-13

BY JOHN SAWALL
Post-Crescent Staff Writer

WAUPACA — John Holly, Waupaca High School's junior quarterback, scampering from a broken pass pattern, broke away for 21 yards and a touchdown late in the final quarter to give the Comets a 19-13 win over Clintonville in a non-conference football game Friday night.

Deadlocked, at 13-13, with 59 seconds left, Clintonville fumbled on its 21-yard line, and the ball was recovered by the Comets' Don Peterson. Holly, who had already completed six of nine second-half passes, called for another pass on first pick-up, and then down. When his receivers were covered, he scampered to the left, blocking and cut back across the field to the goal line.

Dropped Opener

The Truckers made a desperate attempt to come back with only 36 seconds remaining, but the effort died when Gary Peskie picked off a Bill Sasse pass near midfield.

suffered a stunning 20-0 upset at the hands of Manawa High School's Wolves Friday in a non-conference opener for the Mid-Eastern Conference team.

It was the second straight 20-0 win for the Ken Biegel-tutored Wolves. Biegel's team penetrated an inexperienced defensive backfield on three Doug Langman-to-Gary Dretzke aerials in the second half to provide the game's only scoring.

Coach Larry Graves' Bulldogs set up the first two touchdowns by fumbling the first two times they got the ball in the third quarter.

Recovers Fumble
Dretzke recovered the first fumble on the New London 26-yard line. Work horse Tom Griffin slammed for a 1-yard gain on the first play and then Langman connected with Dretzke in the left corner of the end zone for the score. Bob Passehl added the first of two extra points by smashing through the center of the New London line.

New London gained possession on its own 38-yard line, but fumbled on the first play, and Roger Trice fell on the loose ball to give Manawa the ball 37 yards from pay dirt.

Mickey Olsen broke through the New London line for 13 yards for a first down and then was thrown for a yard loss, before Langman hit Dretzke for the second scoring play. Passehl again added the point after.

The teams traded possession of the ball in the third quarter, before Manawa took over late in the quarter. Passehl gained 11 yards for a first down at the Manawa 44, and then Olsen carried for eight yards into Bulldog Territory.

The hard-nosed Griffin carried on five of the next six plays and gained 22 yards. Langman connected with Dretzke for a 28-yard scoring play. This time the Bulldog line stopped Passehl on the PAT.

Graves' team controlled the ball for all but four plays during the remainder of the final quarter, but could move only within 33 yards of the Manawa goal.

New London fumbled six times and lost two, both setting up the scores which broke the game open. Manawa lost two of four fumbles.

Touch Football Play to Open

KAUKAUNA — The recreation department sponsored Touch Football League will begin play next week with Badger Northland playing Giddings and Lewis at 6:30 p.m. and Joyce and Tugger's Bar playing Miller Masonry at 7:30 p.m. Wednesday at the Doty Bayou Recreation Area.

Games scheduled Thursday will be Modern Bar against Log Cabin at 6:30 p.m. and Schuler's Shack versus Schouten Oil at 7:30 p.m. The final games of the week will match Avenue Bar on Saturday and Giddings and Lewis on Sunday at 5:30 p.m. Saturday and Giddings and Lewis on Sunday at 5:30 p.m. Saturday.

The addition of two teams forced the scheduling of games on an additional night per week, an effort to conclude play by Nov. 1, according to James Gertz, recreation director.

After dropping the season opener last week to St. John, the Comets were a much improved team as they took on the Mid-Eastern Conference Truckers, who were held in the game by two Sasse-to-Paul Hoffman touchdowns passes.

Waupaca got on the scoreboard first midway through the first period, when Lee Morry went over from the 4-yard line, capping a 45-yard drive. Peterson booted the extra point.

Clintonville was held without a first down until late in the second quarter when it started off with the Waupaca 49. Lions Gain 366 Yards

Brillion Deals Denmark First Little 9 Defeat; Winneconne '11 Wins

Brillion High School handed defending champion its first defeat, 26-12, Friday night to take a half-game lead in the Little Nine Conference football race.

In other Friday games, Winneconne stopped Omro, 21-2, and Hortonville posted a 19-7 win over Shiocton.

Brillion (2-0) jumped off to a

quick lead as junior quarterback Russ Hansen hit Dick Klein with a 24-yard scoring pass in the first quarter and kicked the extra point.

The Lions added to their lead in the second quarter as Hansen scored on a 3-yard run and added the point. Klein rambled in from five yards out for his second touchdown of the night. Denmark also drew blood in the second quarter when quarterback Ken Storz tied for the 3-yard line. The try for point failed and Brillion held a 20 to 6 lead at halftime.

The teams traded second-half touchdowns as Storz pitched a 24-yard 6-pointer to John Roberts in the third quarter for the Vikings and Klein added his third tally on a 3 yard run in the final period.

The Lions' versatile attack produced 366 total yards, with 190 coming on the ground. Denmark could muster only 78 yards rushing against Brillion's stingy defense but added 97 yards via the air routes for a total of 170.

Scores 3 Times
Fullback Dennis Korn scored all three Winneconne touchdowns against Omro. He scored on runs of 31 and 3 yards and caught an 8-yard pass from quarterback Russ Allen.

Omro scored its safety by downing a ball carrier in the end zone in the third period. The Foxes' farthest offensive penetration was to the Winneconne 25 in the second period.

Winneconne achieved a 13-8 margin in first downs and a 195 to 78 total yardage edge. Of Omro's total, 54 yards came on passing, while the Wolves gained 87 though the air.

Shiocton held a 7-6 halftime lead, but the Polar Bears, led by fullback Jay Cordy, rushed for touchdowns in the third and fourth periods to set up the victory.

Cordy gained 118 yards in nine carries and set up the third period touchdown with a 60-yard off-tackle run. Hortonville had 301 yards rushing in the game compared to 68 for the Chiefs.

Cordy scored the first TD for the Polar Bears in the opening quarter on a 1-yard run. The other touchdowns for the winners were scored by quarterback Dick Tennie on a 2-yard run and halfback Jerry Rudloff on a 1-yarder.

Quarterback Gary Johnson scored for Shiocton on a 1-yard run and Ray Malewski converted on the point after.

Robbie denied reports that Coach George Wilson was under consideration as general manager.

Berlin Edges Menasha High

CONTINUED FROM PAGE 6

The conversion was wide.

Menasha tied the score on the first play of the second period when Seidl raced 80 yards on a keeper. His kick also failed.

With only 56 seconds left in the half, Berlin's Richard Flanagan intercepted a pass on Menasha's 48 and on the very first play Roy Franzen passed to Mendleski for the touchdown. Jim Beaman converted for a 13-6 halftime score.

Sustained Drive
A sustained drive in the third period by Menasha moved the ball from its 27 to Berlin's four in nine plays from where Seidl carried over with a good second effort. He passed to Chuck Gilbert for the tying extra point.

Berlin bounced back, and with the help of a 15-yard penalty on the Javs on the kickoff, had the ball on the latter's 44. Sticking on the ground all the way it scored in 11 plays, Kevin Keller going over from the one. Beaman kicked the deciding point.

With 7:15 left, Scovronski concluded a 75-yard march by scoring from the 22. Seidl threw a pass to Mike Walbrun for the point but the latter didn't have both feet in bounds and it didn't count.

Slip & Dar's, Subway Cop ARD Crowns

Slip & Dar's nipped St. Paul, 2-1, for the Fraternal League title, and the Subway Bar topped South Side Athletic Club, 6-3, for the Women's loop crown in final action of the Appleton Recreation Department softball leagues.

Arlin Pues drove in both Slip & Dar's runs with a single in the first inning. St. Paul also scored its run in the first, when Don Hawkins got on on a fielder's choice and came home on an error.

Ed Simonson was the winning pitcher He struck out seven and gave up just two hits, both by Hawkins. Glen Nau absorbed the loss and fanned 10.

Carol Pelz rapped a single and a triple drove in three runs, and pitched Subway Bar to its win. She struck out 10 and limited South Side to five hits.

Marilyn Zimmer had three of the winners' 12 hits.

extricated himself from a bases-loaded, none-out jam with just one run in the eighth.

The Orioles scored four runs in the second, one on Dave Johnson's homer. In the opener, Killebrew hit a two-run shot and Jim Merritt hurled a six-hitter.

Tony Horton hit a grand slam homer in the first inning in the Indians' triumph over the Athletics, and Rickey Clark threw a two-hitter for the Angels, beating the Senators.

Powerful Schofield '11 Blasts Shawano, 56-0

By THE ASSOCIATED PRESS
Appleton East High School's football team proved there's nothing like making a good start.

East, a new school played its first football game Friday night and upset Manitowoc, defending Fox Valley Conference champion, 7-0.

The first really heavy night of play in the current season also saw some of last year's rated teams go down to defeat, while several individuals turned in sparkling performances.

Schofield, second in the final Associated Press ratings in 1966, demonstrated power in swampy Shawano 56-0.

Madison Edgewood, rated third, downed Sun Prairie 27-0. West DePere, listed fifth, tripped Seymour 35-19 and sixth ranked Wausau beat Wisconsin Rapids 25-19 in the final seconds.

Other losers, in addition to fourth-rated Manitowoc, included seventh-placed Milwaukee Don Bosco, defeated by Oconomowoc 7-6.

Denmark Beaten

Denmark, second rated among the Little Ten clubs, lost to Brillon 26-12, third place Grafton Hammer tossed for three touchdowns in completing four of eight aeriels in a 38-7 rout of Luxemburg. Two of the scoring

Two Rivers' triumph was its passes, of 38 yards each, were first season opening victory in to Tom Gordon.

Teammate Dave Andersen Mike Leadholm, Amery quar-scored three times on runs of terback passed for four touch-76 nine and two yards, picking downs in a 34-0 win over St up 151 yards in 13 carries.

Giants Take Over Runner-up Slot; Five Games Separate Five Teams

By HAL BOCK
Associated Press Sports Writer

Nobody likes to be second best but it'll do just fine for one of five teams in the National League's September struggle.

Just five games separate five clubs who hope to play brides-maid to St. Louis this season. The Cardinals, headed for the pennant, hold a commanding 10½ game lead but after that it's an oldtime National League scramble.

In the second place showdown game Friday night, San Francisco trimmed Chicago 4-3 and took the lead in the runner-up derby.

Pittsburgh went 10 innings before edging the first-place Cardinals 4-3. Philadelphia dropped Atlanta 4-1; Cincinnati split with New York, winning 3-0 before losing 5-4, and Los Angeles topped Houston 4-2.

The Giants were trailing the Cubs 3-2 with two out in the bottom of the ninth but Jimmy Davenport's pinch triple drove home Jim Hart with the tying run and then pitcher Ray Sadecki singled Davenport across with the winner for the Giants' seventh straight victory.

Hart had doubled and tripled, scoring each of the Giants' first two runs against Joe Niekro.

First Win
Rick Wise hurled a four-hitter for his first career victory over the Braves and Bill White's bases-loaded single keyed a three-run Phillie first. Joe Torre homered for Atlanta.

Gene Alley tripled, opening the 10th inning for Pittsburgh, and then scored on Maury Wills' single as the Pirates edged the Cardinals. It was only the third loss in the last 10 games for St. Louis and all of them have been against Pittsburgh.

Alley's two-out, hit-and-run double had scored Roberto Clemente with the tying run in the eighth for the Pirates.

Ron Farly cracked a two-out, two-run homer in the bottom of the eighth inning as Los Angeles tagged Houston with its ninth straight loss. Jimmy Wynn homered for the Astros.

Houston's loss and the Mets' split left a gap between the two clubs at just one half game.

Jaycees to Test Opinion On Neenah Special Ballot

Straw Poll to be Circulated Asking Voter Preferences On Mayor-Manager Election

NEENAH — Feeling strongly that the referendum questions, rather than wait until facing Neenah voters demand a special election, the Neenah-Menasha Jaycees decided Friday to conduct a poll of voter sentiments on the need for a November balloting.

The Neenah council has refused to call a fall election on the two referendum issues created by petitioning efforts, one to lengthen the mayor's term to four years, the other to install a council-manager form of government for Neenah.

The Citizens for City Manager (CCM) group asked the council Wednesday to call a special

election to settle the referendum questions, rather than wait until the spring general election when candidates will also be running for the mayor's post.

Questionnaire

The Jaycees drew up a questionnaire at the Friday meeting asking the Neenah voters if they favor a special election or not. The form will appear in Neenah-Menasha newspapers Monday, Tuesday and Wednesday.

The Jaycees will tabulate the results and present them to the council at the Sept. 20 council meeting.

One of the key questions raised by Neenah aldermen in their refusal to call the special election is what the turn-out will be.

Several have contended that a special election usually draws a small turn-out at the polls and therefore could result in an unrepresentative vote, especially since the manager proponents are expected to be more active than the average voter.

Apathy?

The Jaycee poll, while primarily designed to get a straight reading of voter opinion on the special election is also designed to test voter interest—or apathy—on the two fundamental questions.

If the results of the poll show a high interest by the Neenah voters, the Jaycees feel it would help convince the councilmen that the turn-out would be heavy enough to give a good election result.

The volume of response will be compiled by the Jaycees daily and released at regular intervals until the Sept. 20 council meeting.

The Jaycees also discussed what form the special election should take. Some support was present among Jaycee officers for a special election only on the manager question.

Since the council-manager question takes precedence if both referendums are approved, it is the key question, it was pointed out.

Deciding only the manager issue in the fall would make for a clear ballot, leaving the four-year mayor proposal to the spring election if the manager form is defeated.

Annual Meeting, 50 Year Celebration Set for Red Cross

MENASHA — A social hour, dinner and entertainment are on the program of the Menasha Chapter, American Red Cross, annual meeting next week, with the public invited to help the chapter celebrate its 50th year of service.

Marseilles Bayer, vice chairman of the chapter and arrangements chairman, announced the golden anniversary observance and annual meeting are scheduled for Wednesday evening at Germania Hall.

A social hour is slated for 6 p.m. followed by a Dutch treat dinner at 7 p.m. The guest speaker will be the Rev. Donald R. Gibson, associate pastor of First Presbyterian Church of Neenah.

Following the dinner, speeches and entertainment, the chapter will hold its annual meeting, with election of officers for the coming year heading the agenda.

The First Rotary Club-sponsored exchange student in the Twin Cities is Graciela Sabate, a 17-year-old from Argentina. Graciela arrived in Neenah last week and is enrolled at Neenah High School. She is staying with the William Thompson family for her year in the U.S. (Post-Crescent Photo)

From Che Guevara's Town

Neenah Rotary Host to Girl From Argentina

NEENAH — Graciela Sabate, the new Latin look at Neenah High School this fall, comes from a little-known subtropical Argentine city.

But the agriculture-based community of Posadas can at least claim the dubious distinction of being home to one Che Guevara Lynch, Fidel Castro's one-time backup man whose present address hasn't been ascertained.

Graciela, 17, admits her fellow townsmen aren't too proud of claiming the communist guerrilla leader. And, of all the places where "Che" is rumored to be working, Posadas, a city of 100,000 across the river from Paraguay in the northeastern corner of Argentina, is the least likely.

"My sister goes to school with Guevara's first cousin," Graciela said. "But the first day of school the professor asked the youth not to invite his cousin to the classes," she added.

It's her first experience in the U. S. although she had learned of "gringo" ways from her uncle who has traveled to this country for his export business.

Will See Snow

"I guess the U. S. is just what I expected," she said, although the dimpled teenager pointed out she had only stayed in an Illinois city for a few days before coming to Neenah, and hadn't visited major cities in the country.

Graciela, known to her American "parents" and school companions at Neenah High School as "Grace," is looking forward to winter in Wisconsin and its accompanying snow.

"I only saw snow one time — on a visit to Cordova — and it was soon melted," she said. The people who live in her home town, which is on the edge of a rain forest, are involved in agriculture, with the production of a variety of herbs being the leading items.

The community is made up of a large number of recent immigrants from European countries, along with the basic Spanish stock.

Although Posadas is geographically closer to Paraguay, the people are completely Argentinian, Graciela stated. She only has to cross the river to reach the neighboring country, one of the most poverty-stricken nations in the continent. But to get to the Argentine capital city of Buenos Aires, takes two full days on a train.

Graciela, who is staying with the William Thompsons, 619 Kessler Dr., Neenah, arrived in Neenah last week, the first exchange student sponsored by the Neenah Rotary Club through its international affiliation.

She landed in Chicago, about 7,000 air miles from her home town before she knew where she was to spend the next year. At first a Mexican was expected by the Thompsons but plans were changed at the last minute and Graciela found a home in the Twin City area.

The daughter of the register of deeds in Posadas, Graciela has two older sisters, one in law school in Argentina and the other training for a hostess job.

When she returns to her home town next year, she will enter her fifth and final year at a commercial high school.

Paving on the New North-South runway at Winnebago County Airport started Thursday and the strip is expected to be ready for jet service by November.

Early Bird Club Set for Men at YWCA

Heard about the Early Bird Club forming at the Community Center Sept. 19?

It's a special club being formed for adult men, 18 years of age and over, who want to start the day with a workout.

Tuesdays and Thursdays at 6:30 a.m. the Early Bird Club will meet in the Men's Health Center for a brisk run, a game of handball, a workout in the exercise room and a swim.

A light breakfast will be planned each morning by the Snack Bar, including juice or fruit, toast and coffee.

The Club memberships will be \$10 per year, plus the cost of breakfast.

Contact Robert Bruett, physical education and recreation director if you want to be an Early Bird.

Square Dancing Offered at YWCA

NEENAH - MENASHA — Western style square dancing instructions are offered Monday evenings at the YWCA Community Center, Neenah.

The first lessons are scheduled for Sept. 11 and 18 and couples interested have been invited to participate free of charge.

The lessons will take place in the multi-purpose room with Bill Sweet of Oshkosh calling.

A fee will be asked for further lessons. The full series will include ten weekly 2½ hour sessions.

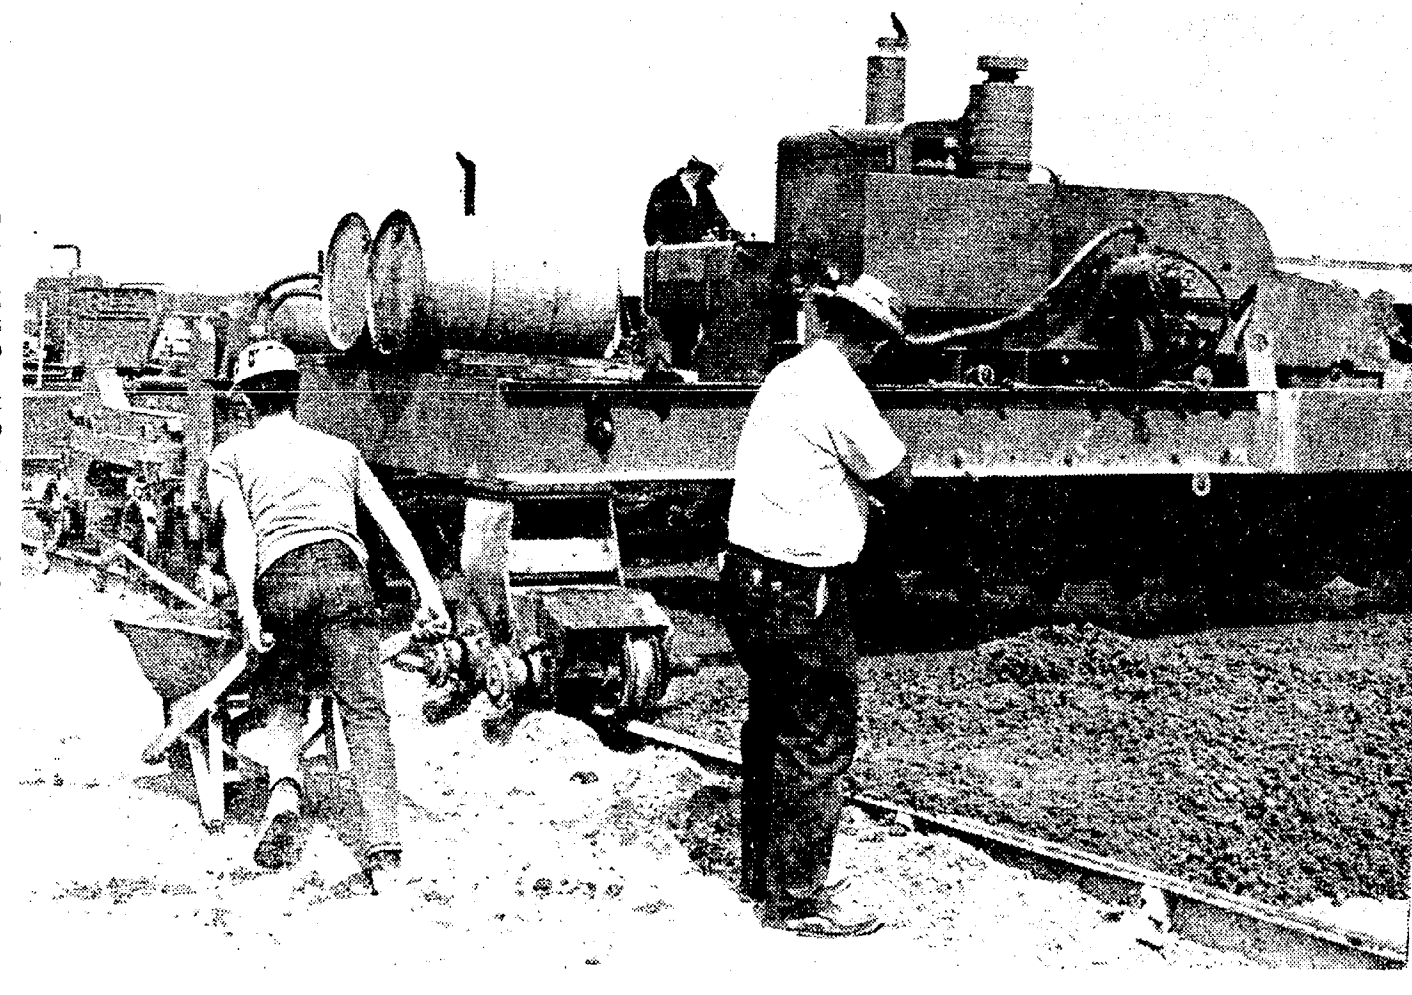

Neenah Photographer Wins Exposition Award

NEENAH — A Neenah man received top honors among professional photographers at the 76th International Exposition of Professional Photography Conference held in Portland, Ore.

Patrick H. Murphy, chief photographer, Creative Design Color Photography, American Can Company, Marathon Products, entered two photographs in the exhibit. His works, "Top of the Morning" and "Cheese Cake Supreme," were chosen from more than 5,000 entries.

Smoke Kills Neenah Bar

NEENAH — Firemen were called to the Rainbow Bar, 218 W. Wisconsin Ave., around 7 a.m. today when a smoldering pool table cover caused smoke damage to the building. Authorities believe a cigarette discarded on the cover before closing time early today was the cause of the fire.

In Downtown Neenah

Stores Will Open Monday Nights

NEENAH — In response to town Retail Association, the move has been studied for that is being met by the Neenah merchants, and they finally followed in the footsteps of several Neenah businesses that have had Monday shopping hours for several years.

Another form of competition is being met by the Neenah merchants, and they finally followed in the footsteps of several Neenah businesses that have had Monday shopping hours for several years.

Many stores in neighboring communities, including Appleton and Oshkosh, have shopping hours on Monday nights, and it was felt that area residents should have the chance to shop in downtown Neenah, too, he said.

Two Injured in Cycle Accident

NEENAH — Two youths are hospitalized — both with identical fractures of the left leg — after the motorcycle they were riding was struck by a car at Washington Avenue and Elm Street shortly after 4 p.m. Friday.

Steven Olson, 17, route 2, Larsen, and Karl Krause, 15, Cold Spring Road, are both listed in satisfactory condition at Theda Clark Memorial Hospital.

Police said Olson was operating the motorcycle east on Washington when a car driven by Darleen A. Bailey, 38, Baraboo, attempted to turn left onto Elm and struck the cycle.

Veterans to Meet

NEENAH — World War I veterans, Neenah Barracks No. 2318, will meet at 2 p.m. Monday at the recreation building.

Menasha Youth Gets Peace Corps Position

MENASHA — A former summer intern for The Post-Crescent, Fritz Mellberg, has been named a Peace Corps volunteer assigned to the Indian state of Madras.

Mellberg is the son of Mrs. Marion Mellberg, 305 Third St. Menasha. He is a 1967 graduate of the University of Wisconsin with a B.A. in English Literature.

Mellberg is one of the 20 volunteers who will work with Indian agricultural agents under the Madras Department of Agriculture at the village level to increase the use of irrigation, chemical fertilizers and improved hybrid seeds by local farmers.

Boat Motor Stolen

OSHKOSH — Louis Howman, 148 Adella Beach, Neenah, reported to Winnebago County Police Friday that sometime in the last three days someone stole a 12 horsepower outboard motor from his boat.

The motor was worth \$100, he said.

Two Mill Tax Power

VTE-12 Worth Set At \$1.8 Billion

OSHKOSH — Members of the for a technical institute by July Vocational, Technical and Educational Board of District 12, 1970 but cautioned, "There is a great deal to be done first. We expressed a new feeling of need a resource and development person to tap every available source, industry, the schools, the people, as to our specific needs curriculum-wise in the area."

More concrete security is to be found in the Sept. 5 certification of full equalized value for apportioning taxes for the area vocational schools in District 12, a total of \$1,859,798,200.

For its 1968 budget, the new VTE-12 board could assess a maximum of 2 mills for development and operation. The levy would be made in nine counties and ninety-nine city, town and village units.

Estimates of what part of this tax source will be used for the new year are expected to come from the preliminary budget meeting of the board at 8 p.m. Monday, at the Appleton Vocational and Technical School.

Visited Director

Following a trip to Madison where they visited with C. L. Griebler, director of the State Sirek said, "We will look at the Vocational Board, and his assistant Eugene Lehman, and an on-grounds tour through the Madison Vocational Technical college transfer programs. Institute, they called a special press conference to share their enthusiasm.

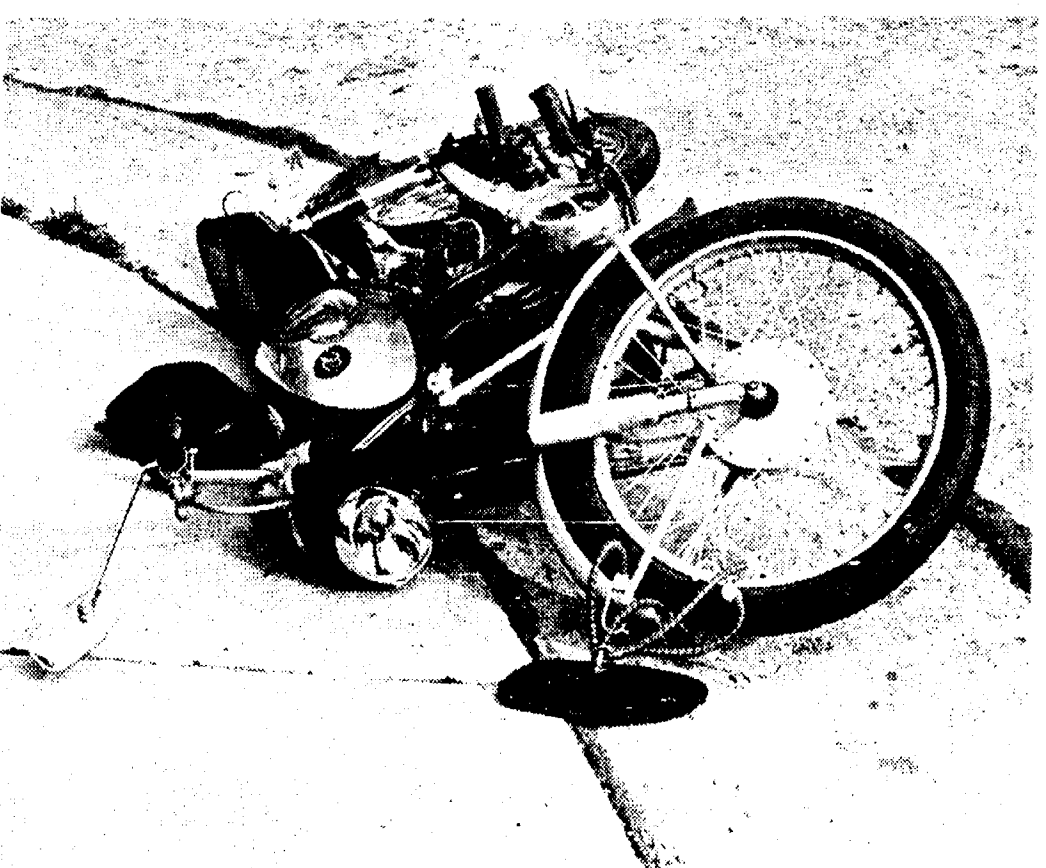

"I was greatly impressed with the entire program," said Sirek. "Our product Russ Johnson, Neenah. Seek Personnel Right now, according to William Sirek, area director, the recruitment of personnel has priority.

Johnson said further that while the VTE-12 area development was following somewhat Kenosha, Wausau, Eau Claire and La Crosse, which already had their construction money approved, there was much to be learned from their experience. The board will visit these area development centers within the next few months.

Three types of programs are being studied fully for Area 12, being studied fully for Area 12, Griebler, director of the State Sirek said, "We will look at the Vocational Board, and his assistant Eugene Lehman, and an on-grounds tour through the Madison Vocational Technical college transfer programs. Police Recover Two of Three Stolen Autos

Authorities Question Teen-age Girl After High Speed Chase

Two of three cars stolen Friday night or early today were recovered, one after a high speed police chase in the Town of Grand Chute.

Outagamie County authorities said today they have information as to the identity of some of the youths involved in taking the three cars from Car City used-car lot, 1930 W. College Ave. Police questioned a 17-year-old Appleton girl taken into custody shortly after the high speed chase today.

The case first came to attention of police when Patrolman Leroy Ziegler saw a car pull into the ball diamond area in Plamann Park about 12:45 a.m. He said several youths jumped out of a 1962 auto, and fled in another, older model car that was nearby.

Car Damaged

The 1962 auto had considerable damage, especially to the front. A short time later, John Vanden Heuvel, operator of Car City, notified the sheriff's department that three cars, including the 1962 auto, had been stolen from his lot. The other two cars were a 1962 red Chevrolet convertible and a 1962 Pontiac Grand Prix two-door hardtop.

At 2:22 a.m., Patrolman Russell Hoover spotted two cars, including a 1962 red convertible, go through a stop sign at Apple Creek Road and County Trunk E.

Gave Chase

Hoover gave chase and shortly discovered that the car following the red convertible was being driven by Vanden Heuvel, who it turns out had been at Plamann Park checking on the first recovered auto when he spotted the red convertible and gave chase.

Hoover said the red car went south on E at speeds up to 100 miles an hour. The car turned east on State 96, Little Chute, police were alerted and were westbound on 96 when three occupants of the red car suddenly leaped out, in the 3,000 block, junction with the avenue while the vehicle was moving about 30 to 40 miles per hour.

Little Chute police and Hoover gave chase but the youths disappeared into the brush. The car continued rolling ahead, stopping in a yard, just a few feet away from a pickup truck and a tree. The red car had considerable damage.

The 17-year-old girl, one of the three occupants, was taken into custody near County Trunk E. (Ballard Road) and State 96 (E. Wisconsin Avenue) minutes after the chase ended. She suffered cuts and bruises in her leap from the auto.

Shortly after the chase ended, the stolen 1962 Pontiac was seen heading west on College Avenue, out of the city. Police went to the area, but were unable to find the car. It was missing late this morning.

Both of the stolen cars had license plates issued to another vehicle when they were recovered.

County police said this morning they planned to question several youths, most of them about 15 and 16 years old, in connection with the thefts and chase. The girl was released to her parents following questioning early today.

Appleton Man Found Dead In Apartment

Andrew V. Olson Jr., 48, 1218 S. Madison St., was found dead on his living room floor about 4:45 p.m. Friday.

Outagamie County Coroner Bernard H. Kemps said the man died between 1 and 3 p.m. Friday of massive gastrointestinal hemorrhaging. The ruling was made following a post-mortem examination ordered by Kemps.

Olson's wife found him lying just inside the door to their second floor apartment when she came home from work. She could not get into the apartment, because the body was lying against the door.

Firemen and policemen used a ladder and removed a bathroom window screen to get into the apartment. Mrs. Olson said that her husband, who worked as a shoe salesman, was still in bed when she left for work Friday morning. Olson was a native of Peshigo.

The body was released to the Ryan Funeral Home, DePere.

Other awards are second place, \$300 in gift certificates and merchandise; third place, \$200 of same; and fourth through tenth places, \$50 in gifts and certificates.

Boettge explained the rules: — Write a slogan on the "New Look in Downtown Appleton, Wisconsin."

Study the construction of the sidewalk and street and create something which will be applicable to the "New Look."

Appleton District Ranks Low in 1966 State School Aids

Reimbursement of \$697,971 Based on General Property Value

Appleton's public school district ranked near the bottom of the list of major Fox Valley cities in receipt of state aids for education applying to 1966.

The disclosure was made today in an extensive report compiled by the League of Wisconsin Municipalities.

It showed educational aids to Appleton totaled \$697,971. The only other city of comparable size with a lower figure was Manitowoc with \$486,518.

Green Bay Leads

Green Bay led the Valley with \$1,146,676, followed by Sheboygan with \$1,057,530.

Aids are allocated on the basis of the municipality's full value of general property lying within the school district. In Appleton's case, the district is comprised of the City of Appleton, a good share of Grand Chute and parts of the towns of Harrison, Buchanan and Menasha.

Total money allocated to the school districts is the sum of equalization and flat aids, transportation, driver education, tuition and handicap aids.

Other cities topping Appleton's total were Oshkosh with \$997,610 and Fond du Lac, \$721,198.

The report showed Menasha received \$442,570; Neenah, \$268,516; and Kaukauna, \$130,923.

Totals from other communities in the region were: Shawano, \$176,940; Kimberly, \$73,300; New London, \$214,260; Little Chute, \$2,908; Clintonville, \$129,920; Waupaca, \$156,209; and Chilton, \$35,177.

Judge Asked to Drop Hearing

Petition Objects to Transfer for Juveniles Involved in Burglary

Maintaining that Outagamie County Court Branch 1 "lacks jurisdiction," Dist. Atty. Nick F. Schaefer Friday afternoon asked the court to set aside a hearing ordered for Sept. 18 for two 17-year-old Appleton youths whose constitutional rights allegedly were violated because they were held in juvenile detention for five days before being brought into court.

Judge Urban P. Van Susteren had set the hearing date Thursday afternoon, after an attorney for Jack C. Meyer, 711 E. Dennison St., and James L. Satorius, 1209 N. Morrison St., asked for dismissal of burglary charges on grounds that the youths had been denied due process of law.

Burglary Charge

Meyer and Satorius were charged with the July 8 burglary of the S. C. Shannon Co. warehouse at 1726 N. Ballard Road.

Schaefer, in his written petition, said "the court would be acting in excess of its authority" in entertaining the motion brought by the attorney.

The youths were waived from juvenile court jurisdiction by County Judge Raymond P. Dohr. Schaefer contended that "Court Branch 1 does not have review power over acts and orders of Branch 3 (Juvenile Court) and therefore lacks jurisdiction in the defense motion."

The matter properly could be appealed to Circuit Court, not another branch of County Court, Schaefer maintained.

Motorists Warned of Traffic Snarl

If you're a motorist planning to travel west on U.S. 10 over the weekend, set your time schedule, and then add extra minutes for the lineup at the White of the University of Wisconsin agricultural journal, farm voice, department and farm voice of the state radio network.

The marketing officials are expected to attend opening day events at the World Food Exposition in Madison following the conclusion of the NAMO conference.

Tuesday and Wednesday schedules include tours of central Wisconsin cheese, potato, cranberry and paper agribusiness operations.

The final day of the meeting will feature a panel discussion of industry assessment methods of market development, and a banquet address by Prof. Maury White of the University of Wisconsin agricultural journal, farm voice, department and farm voice of the state radio network.

The marketing officials are expected to attend opening day events at the World Food Exposition in Madison following the conclusion of the NAMO conference.

Proxmire, Fur Farmers Confer

Sen. William Proxmire, D-Wis., is conferring this morning with state mink ranchers at the Holiday Inn near Appleton to discuss efforts to cut the flow of foreign imports on the domestic market.

The meeting is sponsored by the Wisconsin State Board of Fur Farm Associations.

Possible Merger Conflict in City Hall

MacDonald Plan Would Combine Treasurer's and Finance Offices

A move is underway to have a study authorized by the Appleton city council with an eye toward consolidation of the treasurer's office and finance department.

Ald. John MacDonald (7th), council president, introduced a resolution this week calling for Mayor George Buckley to appoint a special committee to study a proposed merger.

— A written report and recommendation to be presented to the council at its Oct. 4 meeting.

Referred

MacDonald's resolution was referred to the mayor and the treasurer's office was consolidated with his department.

Outdoor Furniture was assembled and erected on College Avenue this week, the benches adding more flair to the downtown beautification. (Post-Crescent Photo)

Funeral Set In Oshkosh for Labor Leader

Lawrence Reno Held Presidency of Union For Past 20 Years

OSHKOSH — Funeral services for Lawrence Reno, 62, 711 Vine Ave., long one of the valley's outstanding labor leaders, are scheduled for 3 p.m. here Monday at Emmanuel United Church of Christ.

Reno, president since 1939 of what is now the Winnebago County Labor Council, died unexpectedly at his home about 3:15 a.m. Friday.

He had presided at a meeting of the city's police and fire board late Thursday afternoon and attended an open house at a new building of Oshkosh B'Gosh earlier in the day. Reno had worked for the firm for 45 years.

Held Card

For more than 40 of those years he held a union card in Local 126, United Garment Workers, serving as its president for more than 20 years.

He was the Oshkosh member of the Fox Valley Conference of Central Bodies and a past vice president of the State Federation of Labor. He had been a member of the police and fire board since 1943, an officer in the Oshkosh area United Fund since its inception, and active in the Winnebago County Health Association and the Bureau of Family Service. He was a member of Masonic Lodge 27, Eastern Star and Zia Grotto.

Services Monday

Surviving are his wife, his mother, a daughter, one son, four grandchildren, and two sisters.

Funeral services Monday will 7:30 p.m. Sunday.

Coincidental, But Accidental?

Patriots Win . . . Sirens Wail!

Alarms buzzed and sirens wailed at the exact moment that Appleton High School-East registered its first football victory at Manitowoc Friday night.

The zealous celebration, heard throughout Appleton, was coincidental, but the timing couldn't have been better.

At 9:20 p.m., a box alarm came into No. 1 fire station from the new southeast side high school. Four fire fighting units were dispatched and several squad cars sped to the scene all with sirens screaming.

Firemen could find no fire, but theorized that possibly smoke from the incinerator room touched off the sensitive alarm. They checked the entire school.

The unintended celebration came just as the Patriots—in their football debut—won 7-0 over the Manitowoc High School Shipbuilders.

Not only was it East's first football game, it was the first fire alarm at the school.

Earlier in the week, MacDonald appeared before the committee and asked that it give consideration to his idea and launch a study on its own.

However, the committee felt otherwise — prompting MacDonald to take the matter directly to the council in writing.

City Treasurer Ray Feuerstein is opposed to such a move. Most of the functions of his office are prescribed by statute.

The reaction of Finance Director Henry Schrewe was that if the treasurer's office was consolidated with his department, he did not visualize any reduction in personnel.

One Department

However, a merger would put the city's financial affairs under one department, which MacDonald feels makes sense.

Ald. Alvin E. Tews (5th), finance committee chairman, said he is reluctant to get involved in a merger conflict at this time.

A recent League of Wisconsin Municipalities report showed there is a trend toward merging departments and making more administrative positions appointive, rather than elective, in local governments.

Special Meeting Set By Appleton's CAP

Appleton's Civil Air Patrol has called a special meeting for 7:30 p.m. Monday at the Outagamie County Airport Aviation Center for all pilots, their wives and those interested in the center.

Items on the agenda include the purchase of a new aircraft, use of temporary quarters at Elm Tree School and the membership drive.

Winner of a Contest to Name a new school newspaper at St. Bernadette School was Shawn Kippenhan, a fourth grader who is the son of Mr. and Mrs. Ronald Kippenhan, 907 S. Christine St. Presenting Shawn with a cash award for coming up with the name the "Bernadette Bugler" is the Rev. William Kuhr, assistant pastor at St. Bernadette Church. Several hundred names were submitted and Shawn's title was picked from 17 finalists for the paper which will be printed monthly. (Post-Crescent Photo)

Steiger Backs State Election Reform Bill

spending limitations which Republican opponents as being unenforceable.

The bill as finally prepared calls for more complete and accurate reporting of campaign receipts and expenditures than available in the past. Campaign accounts must all be reported to the secretary of state by a single campaign treasurer.

"I, for one," wrote Steiger, "strongly support both the idea of central reporting of contributions and expenditures, and the bill in its present form without limitations."

"Certainly there can be little question that our present corrupt practices statute is totally ineffective. Thus the major thrust of the bill as provided in its present form is to make a public hearing as yet unenforced, reasonable and realistic method of handling the disbursement of contributions and expenditures, and the bill in its present form without limitations."

Steiger termed the bill "a consensus view of what needs to be done" regarding state election reforms, in light of the committee give prompt and history of the bill which saw favorable action to the bill.

Democrats push for modern-day Steiger.

A T-Square and a Triangle Will Give You Hours of Fun

BY CAPPY DICK
If you like to draw and have a drawing board, T square and triangle, you can have fun using today's stunt. It's a method of drawing perfect parallel lines at unusual angles.

Place your triangle against the edge of the T square and start drawing lines with your pencil, moving the triangle with one hand and drawing with the other. Space the lines exactly as you want them and when you have drawn the number you want, you will find them aligned perfectly when you remove the triangle and T square.

Variations of this stunt will be easy to figure out, enabling you to draw perfect parallels every time.

Priest Seeks Shortest Route

ALBANY, N.Y. (AP) — The Rev. Donald J. Curran, a Roman Catholic priest, opened a session of the New York State constitutional convention with this prayer: "Almighty God, the time has passed for long sentences. The time has passed for rich, full oratory. Please, dear God, help us to get to the heart of the matter--and help us to let there fast."

Brain Twister

Financial Finagling
John, in attempting to buy a \$10 hat, found that he was short of this amount. He said to his friend, the store manager, "If you will loan me as much money as I have with me, I'll buy the hat." The manager agreed. John then went to another store and repeated the same proposition, this time buying a \$10 pair of shoes. And at a third store and in the same way John bought a \$10 shirt. After he had paid for the shirt, John did not have one cent left in his pocket. How much money did he have with him originally?

Answer: He had \$8.75 originally. Since obviously he must have borrowed \$5 to pay for the shirt, you can solve this little problem by working it backwards to his original sum.

President of Cancer Society Is Re-Elected

Mrs. Lothar Funke, Stockbridge, Heads Calumet Group

FOREST JUNCTION — Mrs. Lothar Funke, Stockbridge, was re-elected president of the Calumet County Cancer Society here Wednesday at the home of Mrs. Samuel Huebner.

Other officers re-elected were Mrs. Henry Horst, route 4, Chilton, vice president; Mrs. Huebner, second vice president; Mrs. Edgar Greve, New Holstein, secretary, and Mrs. Edgar Mueller, Brillion, treasurer.

Directors chosen were Mrs. George Hemauer, Stockbridge; Mrs. James Weber, route 2, New Holstein; Mrs. Reuben Ott, Hilbert; and Mrs. Ervin Heus, New Holstein.

Named Delegate
Mrs. Ott was named delegate to the Wisconsin Division American Cancer Society annual meeting Oct. 11-12 at the Pioneer Hotel in Oshkosh. Mrs. Huebner is the alternate. Others planning to attend are Mrs. Mueller, Mrs. Hemauer and Mrs. Gilbert Schoen.

Greg Wipperfurth, Menasha, the new executive director of Area 5, was present and showed slides which dealt with the organization on national and state levels.

Mrs. Funke reported that 372 dressings were distributed to county patients recently and noted that the number of persons in the area requiring dressings was increasing.

\$800 Over Quota
Mrs. Mueller, permanent crusade chairman, said a total of \$84,192 had been collected in the county drive, about \$800 over the quota.

Richard Hipke, New Holstein, sent a letter of resignation from his position as annual crusade chairman. No successor was named.

Reports were also given by Mrs. Arno Luchterhand, educational chairman, and Mrs. Gilbert Thiel, publicity chairman. Mrs. Boebel reported smelling a gas odor.

The next meeting will be Nov. 15 at Mrs. Greve's home in New Holstein.

Rec Department Plans 4 Classes

KAUKAUNA — A four-class schedule has been adopted for fall and winter art classes, sponsored by the recreation department to permit a maximum number of students to participate in the Saturday sessions, according to Mrs. Roger Belling, instructor.

Classes will be held for students of kindergarten through sixth grade at 9 and 10:30 a.m. and 1 p.m. A class for students in upper grades and high school will get underway at 2:30 p.m. Registrations may be made by calling Mrs. Belling, but no enrollments will be accepted after a class is filled. Classes are due to get underway in October.

Appleton Judge Jails Neenah Man

Driving after his license was revoked cost a Neenah man 60 days in jail Friday.

Thomas L. Boushley, 23, 431 Elm St., was arrested about 2 a.m. Aug. 31 by Appleton police who clocked him at 40 miles per hour in a 25 zone in the 600 to 1200 blocks of N. Richmond Street.

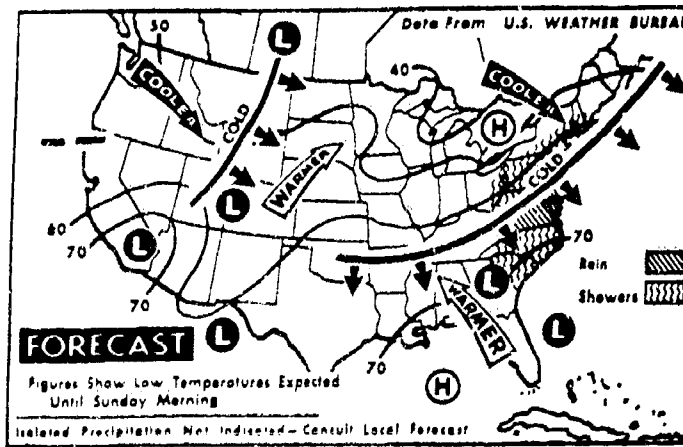

Boushley, who appeared in Outagamie County Court Branch No. 1, pleaded guilty of speeding and driving after revocation. In addition to the jail sentence, he was fined \$25 and cost of another 12 days, and his driver's license was revoked for another year.

C of C Retail Unit to Air Greeting Service
KAUKAUNA — The retail committee of the Chamber of Commerce will hold a luncheon meeting at noon Monday at Oakwood Hills Country Club to discuss formation of a newcomers greeting service.

Discussion also will be held on the Thursday night shopping hours tried by Neenah-Menasha in an effort to determine whether a similar program should be tried here.

Owner Smells Gas, Firemen Check Home
KAUKAUNA — Firemen were called about 12:30 a.m. Friday to the Mrs. T. H. Boebel residence, 222 W. Fifth St., when they reported smelling a gas odor.

Firemen checked the home, but could find nothing.

Rain Tonight Is Forecast along the Atlantic coast from Georgia to Maine. It will be warmer in the Dakotas and the eastern Gulf coast states. Cooler temperatures are expected in the Pacific Northwest and the Northeast. (AP Wirephoto Map)

Negligence Charged

Judge Orders Trial In Seymour Shooting
Outagamie County Judge Gustave J. Keller Friday afternoon bound a rural Seymour man over to Circuit Court for trial on a charge of causing bodily injury by negligent use of a weapon.

No arraignment date was set for Gerald M. Nagel, 39, route 1, 214 S. Main St., who remains free under \$250 bond. Nagel was charged with firing a shot from a 22 caliber rifle early in the morning of June 26, that struck Robert Manders, 17, route 1, West DePere.

The shot was fired after a vandalism incident at the Nagel home. Manders was hospitalized for some time in Green Bay with a gunshot wound in the abdomen.

Asks for Briefs
A preliminary hearing was held for Nagel Aug. 15, and at the conclusion of testimony, Judge Keller withheld a finding of probable cause and did not bind Nagel over. Instead, the judge asked for briefs from Dist. Atty. Nick F. Schaefer and Nagel's attorney, covering points of law involved—particularly the extent to which a person can go in defense of his person and property.

Schaefer objected, saying that the issue of self defense should be left to the determination of the court or a jury "after all of the evidence has been presented," instead of before the bind-over.

Attorney Objects
On that basis, Schaefer, by a motion dated Aug. 21, moved the court to determine if probable cause existed, and if so to bind Nagel over for trial. Nagel's attorney objected, stating, "The prosecution attempts to delegate the magistrate's role to that of a ministerial action upon testimony that the prosecution has chosen to enter into the preliminary record."

Judge Keller, in a written decision read in court Friday, said, in part, "The Court, after careful study and consideration, is of the opinion that a ruling on

Saunders Leader At Church Meet

FOND DU LAC — Dr. Ernest Saunders, dean of faculty and professor of New Testament at Garrett Theological Seminary, Evanston, Ill. will be discussion leader Sunday at a Methodist seminar at Camp Byron seven miles south of here on U. S. 41.

The theme is "Man's Search for a Meaningful Faith." About 100 members of the First Methodist Church of Appleton will attend.

The program starts at 2 p.m. in a newly remodeled Ingram Hall and will include dinner and discussion and goal-setting sessions before adjourning at 7:30 p.m. There also will be child care for infants and toddlers and planned activities for older children.

School District Enrollment Dips At Wittenberg

1,083 Students Registered at 4 Attendance Centers

WITTENBERG — Enrollment in the Wittenberg School District is expected to be slightly lower than last year even with late registrations.

Supt. E. E. Wickstrom said students number 1,083 or 30 less than last year. The decline is primarily centered in the high school which has 22 less than last year's 363 students.

Elementary enrollment totals 742 or 11 less than last year.

This is the second year of operating with one grade per teacher in the elementary schools, Wickstrom said.

Kindergarten Class
Wickstrom praised "cooperation" from parents in assigning the pupils to schools in the Eland-Wittenberg and Galloway. Elderon areas which was started last year and continues for the present term.

The kindergarten class at Elderon will be operating for its first full season. The pupils formerly met at the American Legion Hall until the classroom was ready last November.

The Eland School has 100 pupils and four grades; Wittenberg 325 in eight grades; Galloway 110 in four grades, and Elderon 207 in kindergarten and grades 5-8.

Elementary teachers are Betty Anderson, Thomas Rossi, Helen Berg, Laddene Liesch, Gladys Kaiser, Dorothy Klaus, Lillane Grabs, Beverly Bothe, Connie Rice, Bernice Schumich, Patricia Fischer, Helen Rossi, and Beatrice Matteson. Wittenberg: Frank Rombalski, Marie Vander Veren, Margaret Bahr, and Betty Brown. Galloway: Ed Konkel, Robert Adamski, Leland Fischer, Myrtle Solteneberg, Bernice Juhl and Thelma Jango and Doris Hanson, Eland.

Specialized personnel for the district are Irene Cappel, school nurse; Bernice Vandehey, vocal music; Ed Pooch physical education; James Koutnik, art; Beatrice Jorgensen, remedial reading, and Robert Otfedahl, instrumental music.

Chilton Edges Falcons, 6-0, In EW Opener

Plymouth, Oostburg Lock Horns in Scoreless Standoff

CHILTON — The Chilton High School Tigers edged Sheboygan Falls, 6-0, in the opening Eastern Wisconsin Conference football game here Friday night.

The Tigers climaxed a 54-yard drive in the first minute of the fourth period as quarterback Nick Schneider sneaked across the goal line from two yards out. The touchdown was set up by Ken Mand's interception and runback to the Chilton 46. The point after attempt by Schneider failed.

Each team had one serious threat stymied by the other's stiff defense. Chilton reached the Falls 14 in the first quarter, and the Falls penetrated to the Chilton 16 in the second quarter. Chilton's defense was outstanding as it held Falls to a total of 75 yards, recovered two fumbles and intercepted two passes.

The Tigers, who now have a 1-1 record over-all, posted an 11-5 edge in first downs and out-gained Falls, 197 yards to 75. Chilton completed two of 16 passes for 33 yards, while Falls had two of 12 for 20.

In other EW action, pre-season title-favorite Plymouth was deadlocked in a standoff with Oostburg as neither team penetrated the other's 15-yard line. Cedar Grove edged Kiel, 12-7, and Valders bombed New Holstein, 33-7. Kohler whipped Luxemburg, 38-7.

County Breaks Ground For Welfare Building

OSHKOSH — County officials will break ground for the new \$600,000 county welfare building at the site of the old courthouse annex at 11 a.m. Monday.

Frank Metz, chairman of the Winnebago County Board of social services, will preside over the ceremonies.

Participating will be Joseph Drexler, county board chairman;

William Manske, Oshkosh city council president; Floyd E. Shurbert, second district assemblyman and chairman of the county remodeling and alterations committee; Robert Yarbo of Sanstedt, Knood and Yarbo, architects, and Norman Whitford, director of the Winnebago County Department of Social Services.

The building is scheduled for completion in summer of 1968. It will rise on the site where the Geer-Murray courthouse annex was razed Wednesday.

The building will house the county welfare department, which now occupies the fourth floor of the courthouse, and the state probation and parole offices and other state agencies formerly housed in the courthouse annex.

Those state agencies Tuesday moved into the sheriff's house at the rear of the courthouse on Church street, and the sheriff moved to private quarters.

Waupaca Faculty Will Meet Public At PTO Gathering

WAUPACA — The entire district school system faculty will be introduced to the public at a Parent-Teachers Organization meeting at 8 p.m. Monday in the central school multi-purpose room.

Faculty members from Westwood, Riverside, Golden Hills, Gards Corner, Lind Center, and Barton Schools, in addition to the Central Schools, will attend. Citizens of the district interested in becoming members of the PTO have also been asked to attend. Kindergarten room mothers will act as hostesses for a coffee hour following the meeting.

Almond Scores 26-0 Grid Win Over Amherst

Quarterback Harlan Robinson scored all four touchdowns as Almond High School scored a 26-0 football victory over Amherst Friday afternoon.

Robinson ran 14 yards for a first-quarter touchdown, and in the second half, he tallied on runs of 4, 24, and 9 yards.

Amherst threatened late in the first half, reaching the Almond 6 yard line — but the Falcons ran out of time.

In its first start in the Central Conference, Amherst was outgated 233 yards to 47. The winners posted a 10-2 edge in first downs.

Auto Theft Case Dismissed by Court

OSHKOSH — County Judge James V. Sitter Thursday dismissed an auto theft charge against a 17-year-old Menasha youth.

The defendant, Jack A. Blansette, 105 Fox St., was charged with stealing a car May 20 in Menasha.

Blansette received three years' probation for stealing another car March 13 in Neenah. He will also have to spend weekends in the county jail until Oct. 29.

Judge Sitter found Blansette guilty of the March 13 offense when the youth pleaded no contest May 2.

Juvenile Court Judge James G. Sarres waived jurisdiction in both cases.

Use Extra-Territorial Rights

Appleton Halts Spot Zoning Near East High

In an attempt to block any further "spot" rezoning of property across from the new Appleton High School-East by the county, the City of Appleton has exercised its extra-territorial zoning powers.

When the city council passed an interim zoning ordinance Wednesday night, it automatically froze an "island" of about eight acres.

The land is in the Town of Buchanan but surrounded by the City of Appleton.

Part Rezoned
Recently, Joseph Grishaber, Appleton, had the county board's zoning committee rezone a piece of property near the school so he could construct a drive-in restaurant.

City Atty. David Geenen said the city was powerless to halt Grishaber's project as long as the town issued him a permit.

"However, I think the city has done well in applying its extra-territorial zoning powers and putting a 'freeze' on the other land in that area presently zoned 'agricultural or residential,'" Geenen declared.

Within Limits
While the area is outside the city limits it is contiguous to Appleton and within the limits of its extra-territorial zoning jurisdiction.

The "freeze" ordinance adopted by the council will be in effect for two years. It will be the duty of the Department of Inspection to enforce the terms. Geenen said John Street passes through the middle of the "island."

Geenen and Planner Walter Rasmussen advised city officials recently they had better take a "hard look" at other areas surrounding Appleton with a view toward exercising additional extra territorial zoning powers for before non-conforming use zoning takes place.

WEST DE PERE — Despite a stronger than expected offensive showing a fumbling and inexperienced Seymour team was unable to halt the Phantoms powerful and consistent running attack, bowing to the defending Northeastern Wisconsin Conference champions 35-19, here Friday night.

Fullback Mike Willems tallied three touchdowns and amassed 117 yards rushing on 18 carries to lead the Phantoms driving off-tackle ground game.

Willems' two-yard plunge capping a 56-yard drive on West De Pere's first series plus Tom Peroek's six-yard sprint, set up on a fumble recovery, gave the Phantoms a 14-0 lead early in the second quarter.

But then Seymour quarterback Pete King caught the enemy off guard with a 61-yard TD pass play to end Jim Anschutz. Dennis Murphy's 62-yard punt return and an extra point kick by Dave Powless put the Indians back in the game by halftime.

West De Pere came back with a one-yard dive and a 60-yard punt return by Willems plus an eight-yard run by Wayne Thvsen to ice the contest in the second half. The last TD was set up on a fumbled punt return on the Seymour 11.

Seymour mounted a final effort. King passed to Powless for 21 yards and Jack Nelson for 38 yards and a TD. King finished with 156 yards, passing on 8 completions in 14 attempts. The Indians failed to mount any concerted drives, settling for just three first downs. Dick Karweick and Jerry Rusch each recovered two fumbles for Seymour.

First Lady Plans Trip To Wisconsin

WASHINGTON (AP) — Mrs. Lyndon B. Johnson will visit Wisconsin this month during a three and a half day trip in politically important Midwest states to see "Crossroads, U.S.A."

The White House announced Thursday that the First Lady will go to Wisconsin, Minnesota, Michigan and Indiana and ride a river boat from Quincy, Ill., to Hannibal, Mo., during the Sept. 20-23 trip.

With details still to be announced the White House said Mrs. Johnson will go to see the expansion of recreation at the Sylvan recreation area of the Ottawa National Forest near Ironwood, Mich., and agricultural programs in operation by a young farm family in Wisconsin.

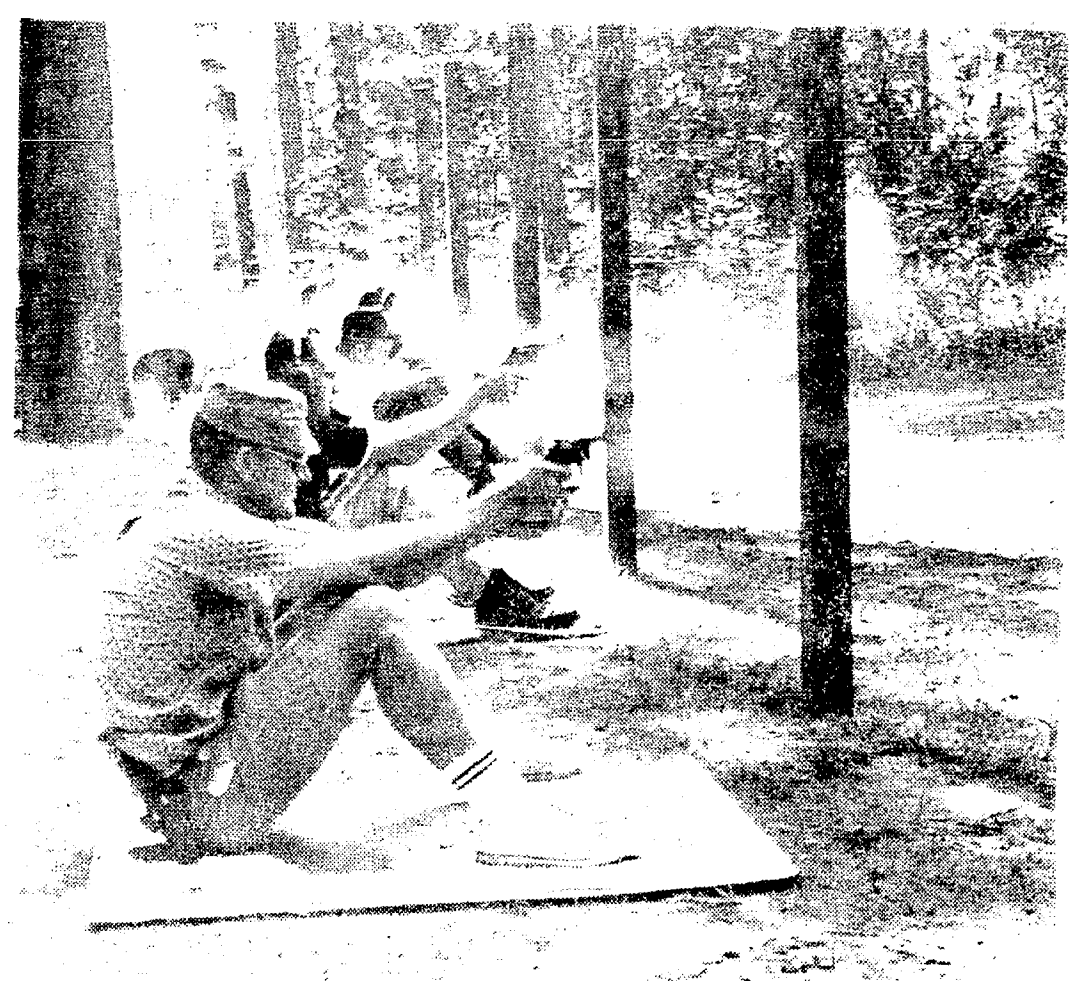

The farm family was not identified.

On three evenings, Mrs. Johnson will see examples of plays and operas made possible through assistance from the National Council of the Arts. They include the University of Wisconsin's "Idea Theater" project at Spring Green, Wis., Sept. 22.

On Saturday morning, Sept. 23, Mrs. Johnson and Secretary of Agriculture Orville L. Freeman will speak at Youth Day ceremonies at the World Food Exposition at the Dane County Coliseum in Madison.

Exposition Opens World Hunger War

Agri-Business Impact First Day Theme; Knowles Is Host

D-Day for World War III, the war on hunger, is set for 1 p.m. Friday, Sept. 15, when gates open for the first World Food Exposition here at Memorial Coliseum exposition center.

After welcoming ceremonies to the "Tomorrowland of food and agriculture" with Gov. Warren P. Knowles, the first of 10 world food forums will convene at 2:30 p.m. in the youth building.

Titled "Agri-Business... its Impact on World Food", the opening forum will be conducted by the Wisconsin Department of Agriculture.

Leading a challenging attack on hunger as the greatest near future threat to human well-being will be Dr. Clarence F. Davan, manager of agricultural market research for International Minerals and Chemical Corporation, Skokie, Ill.

Dr. Davan will disclose powerful new fertilizing techniques which will aid farmers in doubling food production to meet a doubled world population. A member of three president's commissions, the World Food and Fibre Commission, U.S. Export Commission, and Food Production Commission, he is also a member of the Food and Agriculture Organization (FAO) of the United Nations headquarters in Rome.

Joining Dr. Davan will be Illinois director of agriculture, Robert M. Schneider. A vice president of the Midwest Association of State Departments of Agriculture, he served as official representative to IKOFA, a national fine foods fair at Munich, Germany last fall.

Chairman of the World Food Forum, Friday, will be Donald N. McDowell, Secretary of the Wisconsin Department of Agriculture. He has served 17 years as director. McDowell has achieved world recognition for Wisconsin's leadership in dairy cow health, as the first tuberculosis and brucellosis-free state.

Iola Motorist Seeks \$75,000

Waupaca County Suit Asks Settlement For Accident Injuries

WAUPACA — Sylvester A. Ostrowski, 38, route 1, Iola is seeking \$75,000 from William Dorner, Iola and the Milwaukee Mutual Insurance Co., for injuries he suffered in a 1964 auto crash, according to a personal injury suit filed Friday, with Orin A. Stevenson, Waupaca County Clerk of Courts.

The mishap in which Ostrowski suffered serious injury occurred on Main Street in the Village of Iola, Oct. 19, 1964, and involved cars driven by Ostrowski and Dorner.

The complain charges Dorner with 11 specific acts of negligence in the crash. It also states that Ostrowski suffered permanent injury.

Help Fledgling Church Lutherans at Marion Promise Financial Aid

MARION — At a recent special meeting St. John Lutheran Church voted to lend up to \$115,000 to a young congregation in Kalamazoo, Mich.

The money, which St. John Congregation will seek to borrow from a commercial loan source, will accomplish two purposes.

It will enable the five-year-old Michigan congregation to return its original loan to the parent body. The American Lutheran Church, for use in establishing R. Ohlrogge was the congregation's only minister from 1935 to 1964. June of this year when the Rev. needed parish education facilities for the young congregation, stalled.

High Court Blocks Release Of Youths in Reformatory

Rep. Steiger Backs Election Reform Bill Due in Legislature

Congressman Helped Draft Bill As Solon on Expense Reporting

MADISON — Sixth Dist. Rep. William Steiger, R-Oshkosh, has come out strongly in favor of an election regulation and reform bill now pending before a Wisconsin legislative committee.

The bill, which Steiger helped draft while serving on an interim legislative committee before his election to Congress last fall, is aimed at strengthening requirements regarding expenditure reporting by candidates for political office while removing outdated spending limitations from the statutes.

Steiger's comments came in a letter addressed to Assembly-

Temporary Order Allows Teens To be Returned to Original Judicial Bodies for New Trials

Post-Crescent Madison Bureau

MADISON — The State Supreme Court Friday afternoon granted a temporary restraining order requested by the attorney general's office to block the further release of juvenile delinquents from the Green Bay reformatory.

At the same time, it placed on its calendar for the coming year the arguments over the legality of the practice pushed by attorneys for the affected young offenders since a United States Supreme Court decision last spring guaranteed the right of counsel to juvenile court proceedings.

Youths affected had been found delinquent in court proceedings in which they went unrepresented by counsel, and had been placed in the state correctional institution at Green Bay by the State Department of Health and Social Services.

Temporary Ban

The order placed a temporary ban on the outright release of the juveniles by branches of the Brown County Circuit Court, as had been requested by Asst. Atty. Gen. Robert Sutton in arguments earlier in the day.

The order allows the juveniles to be returned to the Courts which originally sentenced them, for new trials, but blocks further outright release of the delinquents until further directions are received from the high court. The directions are presumably planned when the court hands down its decision following hearing oral arguments on the merits of the case.

Temporary restraining order and the associated orders for victories for the attorney general's office, which had suggested that the proper method of handling the release of juvenile offenders in light of the federal decision would be to remand them for new trials.

Judges Disagree

Brown County Circuit Court Judges Donald Gleason and Raymond Rahr had disagreed, and held that they could only order the outright release of the prisoners.

Placing the case on the regular calendar of the Court could mean it will not be considered until next spring, although Sutton had told the Court during the arguments earlier Friday that the arguments could be heard before the end of the year, if the Court is willing.

The court also ordered that the respondents in the suit be given 20 days in which to prepare reply briefs to the original petitions of the state.

Northeast Co-ops Study Milk Prices

Super Pool Being Formulated to Match Milwaukee Area Increase

A super pool is being formulated to increase blend milk prices received by northeastern Wisconsin dairy producers.

The Class 1 price increase sought, from \$4.75 to \$5.14 per hundredweight, is in line with super pool price increases recently announced in Milwaukee.

Six cooperatives developing the plan to increase class 1 prices met this week to work out details.

They include four operating cooperatives — Antigo Milk Products, Consolidated Badger of Shawano, Lake-to-Lake of Manitowish, and Central Wisconsin Dairies of Westfield — and two bargaining associations — Pure Milk Products of Fond du Lac and Manitowish Milk Producers.

The operating cooperatives have expressed their support for a marketwide super pool because this is the only method that will result in a uniform super pool price to producers which is consistent with the uniform pricing established under the marketwide Northeastern Wisconsin Order.

Marion Fund Kickoff Breakfast Set for Oct. 2

MARION — The kickoff breakfast for this year's United Fund Drive has been tentatively set for Oct. 2, according to James Rogers, chairman.

Plans are to set up a "thermometer" in the downtown area to mark the progress of the drive. Businessmen and house-to-house solicitors will be named.

Also discussed at a Tuesday meeting was the United Fund payroll deduction plan in industrial plants in Marion.

The committee will meet each Tuesday evening during September.
